Small Business Subscription Options

Please note that starting from July 1 2015, you will not be charged for calls to numbers beginning 0800, 0808 or 116. For calls to numbers beginning 084, 087, 09 and 118, please see our current pricing information available [here](#), which, due to Ofcom's reforms, may differ from that in your original price plan. For calls to these numbers you will be charged EE's access charge of 37 pence per minute excluding VAT and the applicable service charge, [click here](#). The changes for 084, 087, 09 and 118 numbers do not apply to calls to these numbers made from our Small Business Landline services.

Charges are per Connection per month. See the Terms and Conditions section for more information. Plans with Unlimited UK minutes and UK Texts included within them can be used as Shared Plans unless otherwise specified.

Business Promotional Plans

From time-to-time, we offer promotions on our existing tariffs. These are available specifically for promotional periods only and are subject to Terms and Conditions around eligibility and availability. These offers are only available to new customers and existing EE customers that Upgrade to this plan during the promotional period set out below. Upgrades are at our sole discretion and we do not have to provide you with an Upgrade. The offer is NOT available to any existing customers whose agreements are within their Minimum Term. Existing customers cannot change their price plan on to this promotional plan unless we agree to upgrade that customer. These offers are not available with any other discount or promotion (including Friends & Family) and cannot be used as a Shared Plan. They are also not available with any device pre-order.

From 12th August 2016 to 15th September 2016, the following promotional plans are available:

The 24 Month [£52 Business Extra Handset Plan](#) (25GB Data) is available for £38 per month. Please refer to the 24 Month £52 Business Extra Handset Plan (25GB Data) for full details of this plan and allowances.

Business Shared Plans

On the Business shared plan you can share your data allowance from a 24 month Business phone plan contract across up to five different Connections (or up to two Connections if buying through one of our indirect channels).

How it Works

Step 1 – Choose an eligible 24 month Business Phone Plan contract (eligible plans start at £32 per month).

Step 2 – Add extra Connections. These can be added at any point, from the options below. You can choose to add handsets, data only devices (Tablets, Mobile WiFi, a Dongle or a 4GEE Camera), or a voice / data SIM only Connection.

24 month shared device options

Device Category	Monthly Sharer Fee
Smartphone* Draws on lead data allowance plus unlimited UK minutes & UK texts	£15.00

	£20.00
	£25.00
Mobile WiFi / USB Dongle Draws on lead data allowance	£30.00
	£8.00

*Tablet & Smartphone options not available in all stores or channels

For prices for **4GEE Camera** plan options, please see the 4GEE Camera Data Plans section of the Price Guide.

If you run out of data, any member of your shared group will be able to purchase more data for you all to use.

12 month SIM Only shared options

SIM Category	Monthly Sharer Fee
Voice Draws on lead data allowance plus includes unlimited minutes & texts	£10.00
Data Only Draws on lead data allowance	£5.00

Business Connect

At least one Connection on this plan must be on a 12, 24 or 36 month minimum term. Each Connection on your account will be subject to its own minimum term. Line Rental Charges are per Connection / month. Shared allowances are charged per account. See the Terms and Conditions section for more information. Each Business Connect account includes MobileIron Cloud licences at no extra cost for the first 5 Connections (see Mobile Device Management in this Price Guide for more detail). Additional licences are available on a chargeable basis.

Insurance and Protection

To be eligible to purchase Insurance and Protection from EE, you must have bought your device through one of EE's direct sales channels and be on a compatible service plan.

Choose from two Insurance & Protection products: Damage Cover for Business or Full Cover for Business. Both products include insurance (provided by Allianz plc). See the full terms at ee.co.uk/business/terms under 'Insurance and Warranty' for further information.

You can add these products to your account when you take out your plan with EE. If you are already a customer and want to add either a Damage Cover for Business or Full Cover for Business to your account you'll need to call customer services.

You'll be charged for your product each month and the cost will be added to your bill. If you add one of our Insurance & Protection products part way through a month the cost will be pro-rated. You'll need to call customer services to remove it. If you leave EE then your Insurance & Protection product will be cancelled automatically.

With the exception of the terms and conditions of insurance, we can change the terms, change the charges or withdraw the products at any time. We will try to give you notice of such changes.

Damage Cover for Business From £4 / month	Full Cover for Business From £8 / month
24 hour replacement for claims [‡]	<ul style="list-style-type: none"> - 24 hour replacement for loss, theft, damage claims[‡] - Lookout Premium EE edition for Android Customers.[†]

[†]Subject to Lookout End User Licence Agreement

[‡] We are not able to make same day deliveries in: Northern Ireland, Isle of Lewis, Inverness, Isle of Arran, Orkney Isles, Hebrides, Isles of Scilly, Shetland Isles, Aberdeenshire, Channel Islands, Isle of Man and Isle of Wight and some parts of Ayrshire, Paisley & Perthshire.

We will not make a same day or next day delivery on UK bank holidays or in exceptional circumstances

Phone Replacement

As a Full Cover or Damage Cover customer you are also entitled to a phone replacement option, should your registered device develop a fault during the first 24 months of its life. See [Phone Replacement](#) in the Terms section of this Price Guide for the terms and conditions of this service.

Multi-device insurance discount

When you take out more than one Full Cover or Damage Cover product you will get a discount on each product you take out. Each policy must be in your name or in the name of your business, for devices on your EE account. The discount will not apply if the insurance policy is for someone else. The discount is only available for Full Cover or Damage Cover. Other insurance policies or products that you have with EE such as Clone Phone, Orange Care or on other accounts you may hold with T-Mobile and Orange are not eligible.

The discount you get will depend on the number of Insurance & Protection products you take out. Your discount can go up and down depending on the number of products on your account each month:

- 2-9 products: 10% discount on each
- 10-19 products: 15% discount on each
- 20+ products: 20% discount on each

For all customers the discount does not apply to your excess fee or any other fees related to insurance. You do not need to take all Insurance & Protection products out at the same time to get the discount. The discount will be calculated monthly based on the number of eligible products on your account by 10pm on the day your bill is run and then applied to that service plan bill.

Lookout Premium (Full Cover for Business only)

Available for Android and iOS users only. Download the Premium Lookout Mobile Security - EE – edition app and follow the steps to activate. Lookout terms and conditions apply, see lookout.com for details.

Damage / Loss / Theft Excess Fee				
Excess Band	Zero	A	B	C
Charge to Customer	£0	£40	£70	£100

EE will accept a maximum of two claims in any 12 month period for lost / stolen devices starting from the date of the first claim. There is no limit on the number of damage claims.

Mobile Device Management

Mobile Device Management from EE will help you to secure your fleet of business devices. There is a minimum initial order of 5 licences and a Minimum Term of 12 months applies to each licence ordered, from the date of activation. Full terms are in the Terms and Conditions section of this Price Guide.

Your Service Plan	What You Get
Business Phone Plan	£3 per month per licence
Business Connect	First 5 licences included with your service plan. Additional licences are £3 per month per licence.

A Minimum Connection Period of 12 months (or greater if specified in the your Agreement with EE) applies to all Mobile Device Management licences. If you activate more licences than you have told us about, we may bill you several months in arrears for those licences. Compatible Device required. Accessing the hosted mobile device management platform (the “MDM Platform”) requires an internet connection, which it is your responsibility to provide. You are granted a licence to access the MDM

Platform is under a separate agreement with MobileIron. Use of the MDM Platform is subject to your acceptance of MobileIron’s end user licence agreement at point of registration for the MDM Platform. Use is also subject to the MobileIron Privacy Policy, available at

<https://anyware.com/privacy.html>, or such other URL as may MobileIron may advise from time to time. Your sole rights and remedies with relation to the MDM Platform are as set out in your agreement with MobileIron. If you do not accept the terms of MobileIron’s end user licence agreement, you should not use the MDM Platform. You agree to indemnify EE, and keep EE indemnified for any costs or losses incurred or suffered by EE (including any legal costs) arising from any failure on your part to comply with the terms of MobileIron’s end user licence agreement.

EE may withdraw or substitute the MDM Platform at any time on provision of reasonable notice (where it is practicable to provide such notice).

EE Pocket Landline

Choose how many numbers or mobiles you need on the service:

Product	Description	Monthly Charge
Pocket Landline One-to-One	Allows one UK Pocket Landline number to be routed to your existing EE business UK mobile - great if you’re a sole trader.	£10
Pocket Landline Many to One	Choose more than one UK Pocket Landline number, all routed to a single EE business UK mobile - perfect for promoting separate aspects of your business or widening your geographical customer base.	£10 per landline number
Pocket Landline One to Many (up to five mobiles)	Ideal for larger businesses who want to manage inbound calls across a team - one UK Pocket Landline can be routed to up to 10 EE business UK mobiles.	£15
Pocket Landline One to Many (up to 10 mobiles)		£25

Callers phoning the Pocket Landline number will be charged at Standard Landline rates. Outbound voice calls made on a Device associated with Pocket Landline will be charged as a standard voice call in accordance with your voice Service Plan. Whilst you are abroad, Pocket Landline calls you receive will incur Roaming Charges as per your Service Plan.

Customers receive the first 3 months free of charge.

What's Included	Provision of one or more fixed landline numbers and intelligent routing of inbound calls terminating on an EE mobile. Routing and availability of the landline number(s) can be managed via a web accessible on-line portal.
Minimum Term	12 months from the point of Connection

Maximum of 10 mobile numbers can be associated with each landline number. Pocket Landline number(s) will cease to exist upon Disconnection. Pocket Landline numbers are subject to availability and will be allocated on a first come first served basis. Pocket Landline options: one-to-one (one UK landline number linked to one UK EE mobile); many-to-one (more than one UK landline number linked to one UK EE mobile); one-to-many (one UK landline number linked to up to 10 UK EE mobiles depending on plan). Roaming Charges apply as per your Service Plan if any Device associated with Pocket Landline is used abroad.

Porting-In

Existing landline numbers can be ported in for use as a Pocket Landline number, subject to verification by EE that a number can be ported. Porting-in requests may be cancelled on 3 working days' written notice prior to communicated porting date, and EE will confirm receipt of any such request. Porting can take up to 15 working days and EE cannot guarantee a port request can be concluded. You are responsible for settling any outstanding payments or termination fees with your existing landline provider. Certain types of telecommunication lines such as (but not limited

to) Private Branch Exchange (PBX) and Integrated Services Digital Network (ISDN) lines cannot be ported across to Pocket Landline. Once a landline is ported, it will no longer ring on the relevant fixed phone and there will be no dial tone on that fixed phone. Any existing services on that fixed line number (e.g. Broadband, inbound and outbound voice calls, BT Redcare and alarms) will terminate and EE is not liable for any losses, damages, costs or expenses arising from or in any way connected with the termination of such services.

Porting-Out

Porting-Out a mobile number to another service provider will terminate the Pocket Landline number associated with the mobile number and the Pocket Landline service will be terminated.

Porting-Out can only be requested by you asking your new service provider (and not EE). Your new service provider would be responsible for managing the porting-out process on your behalf. You are responsible for all costs associated with porting out.

Portal

Computer and internet access is required for use of Portal (Portal can also be accessed via smartphone device and active data connection, which will be charged at your standard rates). You are responsible for configuration of the Pocket Landline service via the Portal and EE accepts no liability for any losses incurred or arising from your use of the Portal. EE reserves the right to change passwords or suspend access to the Portal at any time to protect the security of Pocket Landline or to stop any suspected abuse.

4GEE WiFi (Mobile Broadband) & Tablet plans

All 4GEE WiFi (Mobile Broadband) and Tablet plans include access to our 4GEE Network, with average download speeds of up to 30Mbps (EE test data Oct 2015). They also include WiFi on the London Underground where available. Note: If MBB SIM is used in a handset, voice and text out of bundle charges will apply. This is with the exception of the 100MB, 300MB and 500MB tariffs detailed below, which have voice and text services blocked.

SIM Only plans do not include any device to access the Services. Please see below for additional terms applicable to SIM Only options.

If your plan does not appear below, you may be on a personal plan; details and the applicable terms and conditions can be found under [4GEE WiFi Terms](http://www.ee.co.uk/terms) on our website at www.ee.co.uk/terms.

4GEE WiFi and Tablet Plans

[^]EU Roaming data is applicable to [Zone 1 \(EU Roaming Data\)](#) zone only. Once you've used your inclusive allowance of roaming data, you'll have to buy a data add-on to continue using the internet abroad. If you go outside of the countries in the EE Europe Roaming Zone, you won't be able to use the data and you will be prompted to buy a different data add-on relevant to the new country and zone.

Additional UK data add-ons can be purchased either on a one off basis, or recurring.

4GEE Data Roaming Plan

Our 4GEE Data Roaming Plan gives you access to our 4GEE Network in the UK and, where we've rolled it out in the UK, you will also benefit from Double Speed 4GEE with average download speeds of up to 60Mbps (test data 2015). Check coverage here www.ee.co.uk/coverage before purchasing to see if you can benefit from double Speed 4GEE.

This plan includes data usage in the UK and abroad in Zone A* countries. It includes 8GB of monthly recurring UK data and 1GB of annual recurring Zone A data for use in a MBB device or a Tablet.

4GEE Camera terms and conditions apply – see the Terms section of this Price Guide.

Camera Data Plans (other than Business Lite Data Plan)

The monthly payment is for an allowance of UK mobile broadband data accessed using the 4GEE Capture Cam or 4GEE Action Cam. We will send you a text when data is running low (80% of the allowance used up) and when it has run out. If you run out and want to use data with your camera before your next bill date you will need to buy one of our data add-ons applicable for the relevant plan. The cost of the data-add on will be added to your bill.

Only the Business Shared Data plans are eligible for Sharing.

Additional terms apply:

- Business Connect plans are also subject to Business Connect plan terms.
- Business Data plans are also subject to 4GEE WiFi and Tablet Plan terms.
- Business Shared Data plans are also subject to the Business Shared Data plan terms.

See relevant sections of this Price Guide.

Business Lite Data Plan

You will need to purchase the 4GEE Capture Cam or 4GEE Action Cam at its full price upfront to be eligible for the Business Lite Data camera plan. A monthly charge of £1 applies to this plan for a 12 month Minimum Connection Period. There is no monthly data allowance with this plan, but when you purchase the plan you will get 1GB of UK data which will last for up to 30 days or until you have used the data (whichever comes earlier). You will then need to buy a new data add-on from us to continue to use data. The Business Lite Data camera plan is not eligible for Sharing.

Add-ons for Roaming & International Direct Dial (IDD)

Below are our roaming and IDD add-ons, rates and Zones. BT Sport App

The BT Sport app is a chargeable 30 day rolling Add-on, that can be added to Small Business handset, SIM only or tablet plans and allows customers to download and use the BT Sport app for live streaming of football, rugby, motorsport, tennis and UFC on their mobile device with an EE SIM.

BT Sports App Add-on Terms and Conditions

Access to the BT Sports App (the “**App**”) is available to pay monthly 4GEE customers on consumer or small business handset, tablet or SIM only phone Price Plans. To use the App you’ll need a compatible mobile phone or tablet containing an EE SIM card (a “**Connected Device**”). The App is for personal, non-commercial use only. It is not available to customers on a 4GEE WiFi Price Plan (including SIM Only) or customers with a second line on their Account designated for use with wearable technology or other non-tablet devices.

You must download and use the App on a mobile device that uses the latest IOS, Android and Windows operating systems. At present, these are: IOS 8, Android 4.3 or Windows 10. The App provides you with access to sport and other related content (the “**Content**”) and allows you to stream on up to two compatible devices, containing an EE SIM card, per BT ID (described below). Before using the App, you must ensure that you or your household has a TV licence. You must not attempt to view, whether directly or

indirectly, the Content on digital media players. For example, televisions, computers or any other portable equipment capable of receiving or transmitting television broadcasts.

The App is provided to you as an Additional Service and does not form part of your Price Plan with us. This Additional Service can be added to each eligible line on your Account. We’ll refer to it as an Add-On in MyEE, on your bill, online and when you call or text customer services. You cannot have more than one Add-On of this type per eligible line registered to your Account.

At present the Add-On costs £5 per month and is made available on a 30 day rolling contract. We’ll apply the charge to your Account each month until you ask us to remove it. You can cancel the Add-On at any time but you’ll need to tell us at least 48 hours before we issue your monthly bill. If you don’t, a non-refundable charge for the Add-On will be applied to your Account and you’ll continue to get the Additional Service until your next bill is issued.

If you use 4GEE when using or streaming Content from the App, your Price Plan’s inclusive data allowance will decrement. Your data allowances will also decrement when downloading the App, although it is currently free to download from GooglePlay, the Windows Store or the Apple App Store.

Before downloading the App you must visit www.bt.com/eesport to register for a unique BT ID that will enable you to access the App and its Content. When registering, you must provide BT with some personal information, such as Your EE customer telephone number and email address. The information you supply when creating a BT Sport account will be processed in accordance with BT's privacy policy. Visit www.bt.com/privacy for more information.

There may be times when we have to share information about you with BT and vice versa. This will happen in limited circumstances that relate to the administration of your BT Sport account and to prevent fraudulent or unlawful activity. We'll process this information in accordance with EE's privacy policy, details of which can be found here www.ee.co.uk/privacy-policy.

The Content provided via the App is intended to cover a wide range of sporting interests. BT may choose to add or remove Content from time to time and it cannot guarantee the availability of any particular programmes, sporting events or channels.

Before requesting an Add-On for this Additional Service you must acknowledge and understand that any change to the Add-On's cost or the Content provided, will only entitle you to cancel the Additional Services. Such changes do not entitle you to cancel your Agreement with us for mobile network services.

The App is provided by BT Plc. You must read and accept BT's terms of use. Full terms can be found at ee.co.uk/btsportapp/terms.

Here is a summary of the important terms and conditions that you must be aware of before downloading the BT App.

- You mustn't do or authorise others to or attempt to reproduce, re-distribute, edit, adapt or copy any of the Content made available through the App.
- You mustn't display any Content in retail, business or commercial premises or for any business or commercial purpose.

- BT may suspend or terminate your access to some or all of the App if it is reasonably believed you're using or misusing the App or Content unlawfully or in breach of the terms and conditions of the App.
- The availability of the App is dependent on the quality and availability of your internet connection.
- Some of the App's Content may be unsuitable for viewing or use by persons under the age of 18. It's your responsibility to ensure that the Content viewed or used is suitable for those viewing or using it (including children). We're not responsible for this.

If you commit a material breach of BT's terms and conditions, we will be informed by BT and the Additional Service will be suspended or the Add-On removed from your Account. If this happens, we will not be responsible for providing you with a substitute service or for any other losses you may incur as a result. We may also suspend access to or terminate your contract for the Additional Service if you fail to pay a bill by the date set out on it or commit another material breach of your Agreement for mobile network services (visit ee.co.uk/business/terms to read the latest version of our terms and conditions).

Finally, please note that when entering into a contract for digital content as a consumer you're entitled to a 14 day cooling off period. Once you've entered into a contract for this Additional Service, you'll have 14 days to tell us you've changed your mind. However, once you've registered for a BT ID or once you've downloaded the app, whichever happens first, we'll assume that you've decided to waive this right to change your mind and you'll lose your right to cancel, except in accordance with the cancellation process described above.

Six months free access to the BT Sport App offer – Terms and Conditions

Eligible customers (described above) on consumer and small business Price Plans can get access to the App, free for six months, when entering into a contract for the Additional Service for

the first time. If you're an existing customer adding the Additional Service to your Account for the first time, the six month free period will start as soon as we accept your request for the Add-On. We therefore advise you create a BT ID and download the App immediately. If you're a new EE mobile customer, your six month free period will start as soon as we accept your request for mobile services and you have activated your SIM card. The six month free period will run in six consecutive months and cannot be deferred, paused, transferred to another EE customer of any type or redeemed in stages. If you choose to cancel the Add-On, for whatever reason, or if we have to remove it from your account because you've failed to comply with BT's terms and conditions applicable to your use of the App, you'll forfeit the opportunity to add the Add-On to your Account again for a free period. If you choose to upgrade, move plans or enter into a new contract for mobile services, you'll be unable to get the six months free offer again.

Terms Applying to Business Plans & Bundles

Business phone plan and Business Connect plan Subscriptions

All Business plans are subject to a Minimum Term, which will be specified in your Agreement with Us. You will need to register with EE as a business and pass our standard credit check. You may be required to pay a deposit.

Voice and Text in the UK

Our 4G network only carries data, so to make mobile voice calls you must be in an area with 2G or 3G coverage.

If you are on a Business Connect plan you can have up to 100 Connections on your account, subject to paying the relevant monthly fee. If you Upgrade one or more Connections on your account the Upgraded Connections will start a new Minimum Term. Calls between sharers and to geographic landline numbers within the UK will not decrement your monthly allowance of minutes. One Connection on your Business Connect Plan must be set up on a 12 month or longer Minimum Term. Any 30 day bundles added part way through your billing cycle will be charged at a pro-rated rate until the start of your next billing cycle, but you will receive the full allowance from the point the bundle is added.

Minutes and texts included in your bundle, unless stated otherwise, are to mobiles on the EE Network, and to customers on other UK mobile networks (including Orange and T-Mobile), or regional UK landline numbers (excluding Jersey, Guernsey, and the Isle of Man). Calls to numbers beginning 0800, 0808 and 116 are free. For calls to 084, 087, 09 and 118 numbers, these are not included in your allowance, and you will be charged EE's access charge of 37 pence per minute excluding VAT and the applicable service charge. For

more details see <http://www.ee.co.uk/ukcalling>. Calls to some MVNO number ranges and to numbers beginning 070 are also not included in your inclusive allowance.

Calls to 070 numbers cost up to £63/min. For further information see the Non-Standard Price Guide for EE Small Business at www.ee.co.uk/business/terms.

If you are on our Business phone plan (excluding Business Connect) and have a limited bundle of voice minutes and texts, you can opt to receive usage alerts by calling customer services when you get near to the end of your bundle (80%) and when your bundle has run out, to help you manage your spend. Business Connect customers are automatically opted into receiving usage alerts at 80% and 100% usage of your bundle. However, if your inclusive allowance runs out during a call, We will charge you for the remainder of the call. Charging for a call commences when a call is answered by a person or an answering device and ends when: (a) you end the call on your device; 16 seconds after your calling device loses signal for any reason (we continue to maintain the call in case your device re-establishes a signal with the Network during this period); or you do not end the call on your device up to 30 seconds after the last third party to you were connected to has ended their call.

All out-of-bundle calls, including Roaming & IDD calls will be charged on a per-minute basis with the exception of Roaming calls made from within the EU which will incur a 30 second minimum charge and will be charged on a per-second basis thereafter. When calling 084, 087, 09 or 118 numbers, the service charge will be charged on a per second basis and EE's access charge will be charged on a per-minute basis. Calls to voicemail from within the UK are free, but will be charged at standard call rates when you are roaming.

Where your service plan includes bundled roaming and IDD minutes, these cannot be shared across other connections.

A text message consists of 160 characters. If you send a longer message, you will be charged for two or more message as appropriate.

Calls and texts to numbers that are not included in your allowance will be charged at the appropriate rate as set out in our Non-Standard Price Guide for EE Small Business.

These plans are for normal person to person use from your phone and are subject to your acceptance of our standard terms and conditions for pay monthly services. We monitor use in accordance with those terms. The terms state that you can't use these plans to sell access to our network to anyone else. They are also not to be used for anything unlawful or to send nuisance communications. At the moment, we'll decide that you're breaking these terms if you text or call more than 300 different numbers in a month. Remember, we're free to decide that other types of use may also be breaking this term. If you do break this term, we'll contact you and ask you to stop and if you don't then we may disconnect your SIM card from our network.

Free months

Where you are on a plan that includes free months, you will not have to pay your monthly subscription charge in the specified months. You will still have to pay any out of bundle charges that you incur in those months. If you cancel or change your plan before the end of your Minimum Term you will lose your entitlement to any further free months.

Mobile Data in the UK

You can check the mobile internet coverage in your area at www.ee.co.uk/coverage

4GEE data bundles include access to Our 4G, 3G and 2G mobile data networks, and to Wi-Fi services at London underground stations through Virgin Media (see www.ee.co.uk/tubewifi for more information). You must have a data allowance or have purchased a data add-on to have access to mobile data services, unless you are on a shared data plan in which case you will be charged the applicable out of bundle rate. On 4GEE phone plan we will let you know by text message when you are getting near the end of your data allowance (80%) and when it has run out.

EE's current download speed for 4G is up to 30 Mbps (EE test data October 2015). Double speed 4GEE is available in select areas only (check your coverage at ee.co.uk/coverage) – up to speeds doubled from 30Mbps to 60 Mbps based on test data 2015. 4G network capacity doubled from 2 x 10 MHz to 2 x 20 MHz. Speeds referred to are download speeds.

4G speeds are dependent on location and number of users. To receive 4G speeds, you must have a 4G compatible Device, be within range of a 4G base station. Your 4G compatible phone will not necessarily be compatible with any 4G networks outside the UK. If you are on the 4GEE Business Connect (sharer) plan you will use any individual data allowance ahead of any shared data allowance.

You can use internet on your phone to make internet phone calls ('VoIP') or to use your phone as a modem ('tethering'). Remember, you can use mobile internet on your phone for peer to peer file sharing but your speed will be slower than usual as we monitor our network to protect it for all customers. Please see the network management policies on our website for more information.

A fair use policy applies to data usage, so if you are using data excessively We may restrict your access or ask you to move to a more appropriate plan to protect Our Network for all our Users.

We won't charge you anymore if you reach your monthly data allowance, but you won't be able to use the internet. If you reach your monthly data allowance on our 4GEE phone plan, you will need to buy one of our data add-ons to use mobile internet for the rest of the billing cycle. If you change your price plan, that will take effect from the start of the next billing cycle. If you're on our 4GEE sharer plan you can chose whether to run onto our standard out of bundle rate or to purchase data passes when you have used your allowance if you're on our £15 core plan. If you're on our £30 core plan, we will charge you our standard out-of bundle rate for data once your allowance is used up.

General

Inclusive allowances apply for one month only and cannot be rolled-over to a subsequent month.

You may move to a higher subscription point at any time during the Minimum Term, but you may not move downwards until the final month of your Minimum Term

Single User Bundles may be added to individual Connections on either the Business phone plan or the Business Connect (sharer) plan, and, unless otherwise specified, will get used ahead of any other shared bundled allowance on Business Connect (sharer) plans. They may be added and removed as often as you require but you will always be charged for a full month each time you add a bundle (even if you add a bundle part way through a month), unless you add a capped Single User voice or message bundle part way through a month. If you add a Single User voice or message bundle part way through a month and the relevant allowance under the bundle is subject to a cap, you will receive the full allowance for a pro-rated monthly charge from the point the bundle is added to your account until the end of that month. Allowances under Business Connect add-ons are pro-rated in the first month that you add them, with the full allowance being received in the first full month of usage.

Business shared plans

Business 4GEE Plans allows an overall data allowance to be shared between multiple connections within a group. The group is composed of a lead connection which is known as the Leader (which may or may not be the account holder) and linking member connections (“Sharers”) (collectively all connections are known as the “Group”). You, as the account holder, are only permitted to have one Group unless we expressly agree otherwise. You can have a maximum of five connections in the Group

(including the Leader), or if purchasing through one of our indirect channels, a maximum of two connections in the Group (including the Leader). There must be a least two connections to be considered a Shared 4GEE Plan, and only one may be set up as the account Leader. These terms and conditions are in addition to our terms and conditions for all **Business** plans.

You shall be responsible for all charges and other liabilities incurred on behalf of the Group. All members of the Group will be authorised to incur data charges (including those when roaming) on your behalf and any other authorised charges such as content add-ons (unless you set up a bar on your account). You consent to any member of the Group incurring charges on your behalf and you will be solely responsible for those charges. You will be notified by text message when a data add-on is purchased by any member of the Group.

Data can only be shared within the Group and cannot be shared with any other plan you have with us. You can add additional Sharers to your Group at any point in time, up to the specified limit.

The Shared Business Plans applies to standard data usage within the UK only, and the terms set out under the Business phone plan above apply. Anyone from the Group will be prompted to purchase a data roaming add-on when roaming outside the UK. Roaming data is shared amongst the Group when all members of the Group are in the same EE roaming zone. If any member of the Group is in different roaming zones (or in the UK) then data purchased in a particular EE roaming zone can only be shared by members in that same roaming zone.

We will send a text to the Group when 80% of the data allowance has been used and a further text when the Group has used 100%. Only those members of the Group who are using data when the allowance expires will receive a text. You can also check your data usage using the My EE app.

Each member of the Group (except on SIM only, Dongle or Mobile WiFi plans) will also receive a content add-on as part of your plan, or on tablet plans, a 500MB additional data allowance in the first month. These are subscriptions specific to the relevant phone or mobile broadband number. The data used as part of these content add-ons is shared, but all other functionality and storage of the content add-on will be controlled by the relevant Group member on their device.

Changes to your plan during the minimum term (including upgrades)

You as the account holder can increase the Group data allowance at any time by calling customer services on 150. Remember you will need to commit to the increased data allowance and corresponding plan charge for the remainder of the minimum term. The increased data will be applied to your account immediately for use by the Group. You can do this at any time and any increase in your monthly plan charge will be pro-rated on your next bill. You cannot move to a lower price plan unless we allow it.

Changes to Lead Sharer and Additional Sharer

If you want to move the Leader to a standard Business plan or become a Sharer (rather than the Leader) you will need to nominate a new Leader for the Group to continue. You will need to:

- (i) Assign a new Leader to the Group either by connecting a new member or changing the status of one of the Sharers to Leader. This will be subject to credit checks and an additional price plan charge. We will let you do this at our absolute discretion and you will need to do this before moving the existing Leader onto another Business plan or terminating the plan; or
- (ii) Terminate your Business Shared plans (and if you're within your minimum term pay early termination charges or early upgrade fees for each plan within the Group – see our price guides for how early termination charges are calculated); or

(iii) Change the ownership of your Business Shared plans so that another person takes responsibility (including payment of all charges) for the Group, subject to credit checks on the new account holder.

If you want to leave the Group (and a new Leader is not nominated as per above) the Group may be dissolved and data will no longer be shared. This will be subject to our absolute discretion. If the Group is dissolved, all Sharers will need to sign up to a new eligible* Business plan for the remainder of the minimum term of each plan within the Group. If we let you do this, the total number of individual plans (whether held by you or a new account holder) needs to equal the total number of plans from the Group. All new plans and migrations are subject to credit checks and are at our absolute discretion. You will need to be with us for at least 4 months before we allow a migration from a Business Shared plan to any other plan. Early termination charges are payable for each plan within the Group that is not continued for any reason. (*By eligible Business plan, we mean a plan with a monthly price plan charge that is more than the price plan charge payable when it is part of a Group. We will tell you by how much more each standard Business plan must be when you request to leave the Group.)

A minimum commitment period will apply to each connection in accordance with your selected Business Shared Plans price plan. Early termination charges will apply if you terminate any of the Business Shared Plans connections before the end of their respective minimum terms. Remember if you add an additional member to the Group after commencement of the original Leader plan, not all the minimum terms will end at the same time.

Returns

Returns will be subject to our standard retail returns and distance sales returns policy which you can find at www.ee.co.uk/terms. In addition to those terms the following shall apply to the Business Shared Plans:

- Only the account holder can cancel and/or return the Group's products and services.

-
- Any additional Sharer which is added to the Group after the purchase of the original Leader plan is subject to our standard returns policy in its own right. For example, if you purchased an additional Sharer plan online 3 months after the original Leader plan, your right to cancel the additional Sharer plan will be available to you 14 days from the date of purchase of the additional Sharer plan (not the original Leader plan).

If a number of devices are ordered at the same time for a particular Group, and not all devices are received at the same time for whatever reason, you are entitled to exercise your right of return pursuant to our returns policy 14 days from the date in which the final device in your Group is received.

4GEE WiFi

You'll have to promise to stay with us for the length of your service plan (either 30 days, 12 months or 24 months) and pass our standard credit check.

Your monthly payment is for an allowance of UK mobile broadband data accessed using a dongle, mobile Wi-Fi device, a tablet or a 4GEE Camera (depending on the service plan you have chosen) to connect your phone, laptop, tablet or 4GEE Camera to the internet. If you have purchased a SIM only plan, your monthly payment is for an allowance of UK mobile broadband data accessed using your own dongle, mobile Wi-Fi device or iPad to connect to the internet.

If you join an EE Extra plan, you'll also get access to double speed 4GEE (where available) and a 100MB allowance of data that can be used when you're travelling in a EE Europe Roaming Zone country (described below). Once you've used your inclusive allowance of roaming data, you'll have to buy a data add-on to continue using the internet abroad. In addition if you go outside of the countries in the EE Europe Roaming Zone, you won't be able to use the data and you will be prompted to buy a different data add-on relevant to the new country and zone.

You'll need 3G or 4G coverage to use the internet. You can only use internet on our 4G network if you're within a 4G enabled area, in range of a 4G base station and have a compatible 4G dongle or mobile Wi-Fi device from us. 4G is currently only available in select cities in the UK. Your dongle or mobile Wi-Fi device may not be compatible with any 4G network outside the UK. You can check your 3G and 4G coverage at: www.ee.co.uk/coverage.

If you're using a mobile Wi-Fi device, you can have additional Wi-Fi enabled devices (such as a mobile phone, laptop or tablet) registered to the mobile Wi-Fi device to use your mobile broadband signal. Remember, the more devices you have connected to your mobile Wi-Fi device at the same time, the slower your internet connection will be on each connected device.

Each mobile broadband option gives you a data allowance to use each month. We'll let you know by text when your data is running low (80% of your allowance used up) and when it has run out.

You can use your mobile broadband to make internet phone calls ('VoIP'). Remember, you can use mobile internet on your phone for peer to peer file sharing but your speed will be slower than usual as we monitor our network to protect it for all customers. Please see the network management policies on our website for more information.

We won't charge you any more if you reach your monthly data allowance, but you won't be able to use the internet. To continue to use the mobile broadband if you reach your monthly data allowance, you will need to buy one of our data add-ons to use mobile broadband until your next bill date. The cost of your data-add on will be added to your bill.

If you don't use mobile broadband in accordance with these terms and conditions or if you use your SIM card in another internet enabled device, for example a mobile phone, we reserve the right to withdraw your mobile broadband plan. We will also charge you for the additional services that you

have used. For more information about these charges, please read the Non-Standard Price Guide for EE Small Business at www.ee.co.uk/business/terms.

If you join a plan with mobile WiFi device that is designed for in-car use you are responsible for using the device in such a way that complies with all relevant laws, including road safety law. We will not be responsible to you if you do not. Please see www.ee.co.uk or your in-box literature for more information about using your equipment safely.

Remember, your network terms will apply to your use of our services and these terms are additional terms applying to the Mobile Broadband (4GEE WiFi) plan only. Where there is any conflict between these terms and the network terms, these terms shall apply.

EE Europe Roaming Zone countries are: Austria, Belgium, Bulgaria, Channel Islands, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Reunion Islands, Romania, Slovakia, Slovenia, Spain, Sweden and Switzerland. This does not include Isle of Man and Guernsey.

Additional terms and conditions applicable to 30 Days and 12 month SIM Only Plans for Mobile Broadband (4GEE WiFi)

The following terms apply to 30 Days and 12 month SIM Only plans for Mobile Broadband (4GEE WiFi), in addition to the terms and conditions under the heading Mobile Broadband (4GEE WiFi) above. Where there is any conflict between these terms and the Mobile Broadband (4GEE WiFi) terms above, these terms shall apply.

If you join a plan with a monthly data allowance of 3GB or less, you can experience speeds of up to 30Mbps only. 4GEE WiFi Extra plans with a data allowance of 4GB or more could experience 4GEE speeds over 30Mbps, where double speed 4GEE is available, and depending on a range of factors affecting speed and coverage such as your location; whether any trees or buildings are affecting your signal; how many other people are

using the 4G network, and what the building is made from if you're using your phone indoors. Check your coverage at ee.co.uk/coverage.

Additional terms and conditions applicable to 24 month Tablet Plans for Mobile Broadband (4GEE WiFi)

The following terms apply to 24 month Tablet Plans for Mobile Broadband (4GEE WiFi), in addition to the terms and conditions under the heading Mobile Broadband (4GEE WiFi) above. Where there is any conflict between these terms and the Mobile Broadband (4GEE WiFi) terms above, these terms shall apply.

If you join our plan with a monthly data allowance of 2GB, you can experience download speeds of up to 30Mbps only. If you join a plan with a data allowance of 10GB or more could experience 4GEE speeds over 30Mbps, where double speed 4GEE is available, and depending on a range of factors affecting speed and coverage such as your location; whether any trees or buildings are affecting your signal; how many other people are using the 4G network, and what the building is made from if you're using your phone indoors. Check your coverage at www.ee.co.uk/coverage.

4GEE Camera

These terms apply to customers purchasing the 4GEE Action Cam or the 4GEE Capture Cam (a "4GEE Camera") on 4GEE Camera Data Plans, in addition to our standard network terms (available at ee.co.uk/business/terms).

The 4GEE Camera is available on selected pay monthly and pay as you use data plans only. Some pay monthly terms are eligible for Sharing and terms applicable to shared plans apply. All inclusive data is for use in the UK only.

3G or 4G coverage is required to stream from the 4GEE Camera. Live streaming will use your data allowance. 3G or 4G coverage is also required

to use the internet (for example, to upload footage). You can only use internet on our 4G network with the camera if you are within a 4G enabled area and in range of a 4G base station. 4G is currently only available in select cities in the UK. The 4GEE Camera may not be compatible with any 4G network outside the UK. The ability to stream and performance of upload may vary due to network conditions. You can check your 3G and 4G coverage at ee.co.uk/coverage.

If you don't use data in accordance with these terms and conditions or if you use your SIM card in another internet enabled device, for example a mobile phone, we reserve the right to withdraw your plan. We will also charge you for the additional services that you have used. More information about these charges is set out in this Price Guide and the Non-Standard Charges Price Guide for EE Small Business at ee.co.uk/business/terms.

The 4GEE Camera

The manual that comes with the 4GEE Camera will explain how to use it and you should only use it in line with those instructions given to you. You should take all normal necessary safety precautions for the activity you are filming and not take, or encourage anyone else to take, additional, unnecessary or irresponsible risks while using the 4GEE Camera. The 4GEE Camera is used at the user's own risk.

EE will not be liable for any injury or death when using the 4GEE Camera unless caused by EE's negligence. EE will also not be liable for any loss or damage you sustain using the 4GEE Camera that was not reasonably foreseeable by either us or you. Such losses may include any loss of income, business, profits, goodwill, anticipated savings or data, however caused. We also expressly exclude any liability for any loss or damage which may be incurred by you as a result of your breach of these terms.

Remember you should not film anyone who has expressed a desire not to be filmed.

If you use the 4GEE Camera to stream footage you will need to accept separate terms governing the use of any streaming service (currently Skeegle).

App

If you are downloading or using the 4GEE Action Cam app, the following terms and conditions will automatically apply.

A compatible Android or Apple device with compatible software is required to download and use the app. The app is free to download but data charges may apply when you visit the app store to download it or if we send the app software updates. The data allowance you get with your 4GEE Camera Data Plan does not apply to the app.

The app lets you remotely control the 4GEE Camera. Footage filmed on the 4GEE Camera can be downloaded and shared through the app.

The Action Cam app can be used for the purposes of your business, provided you only share or stream content that is generated by you or your business. You understand and agree that you are solely responsible for any content you stream or make available to others. You must ensure that any such content is not unlawful and does not infringe anyone else's rights (including another person's intellectual property rights). You are solely responsible and liable for any consequences of streaming or sharing your content.

Any app updates sent to you by EE must be downloaded in order for you to continue receiving the most up to-date functionality of the application. If you do not follow this reasonable advice, we are not responsible for any loss or damage that you suffer as a result of continuing to use the outdated version of the application.

EE does not represent or warrant that the app will always be available or that it will work perfectly. If you use this app to provide content to, or access

content provided by any third party remember that they own that content and we are not responsible for what you see.

You are not allowed to copy the app or to send it on to anyone else. You are not allowed to modify the app, any part of the app, or our EE trade marks in any way. The app is provided by EE.

Skeegle

Skeegle is the video streaming platform used to stream the 4GEE Camera footage. EE reserves the right to provide an alternative live streaming service at any time. Full terms are available at skeegleapp.com. To share content via Skeegle, you will need to register using your valid Facebook account and mobile number. Using Skeegle will use your data allowance. Internet coverage is required to view streamed footage. The 4GEE Camera enables one way communication via streaming only.

Skeegle can be used for the purposes of your business, provided you only share or stream content that is generated by you or your business. You understand and agree that you are solely responsible for any content you stream or make available to others. You must ensure that any such content is not unlawful and does not infringe anyone else's rights (including another person's intellectual property rights). You are solely responsible and liable for any consequences of streaming or sharing your content.

Charges may apply for use of certain functionality within Skeegle.

4GEE Fixed Broadband

You'll have to promise to stay with us for the length of your service plan (either 12 months or 24 months) and pass our standard credit check. Your monthly payment is for an allowance of UK mobile broadband only. Please

remember that you must also pay an Upfront Charge for the router that we provide to you. You must live in a qualifying post-code to be able to purchase 4GEE Fixed, and service is subject to coverage. Check your coverage at www.ee.co.uk/coverage.

Your mobile broadband speeds will depend on a range of factors, including: local mobile network coverage, whether there are any trees or buildings affecting your signal and the materials your house has been built with. The location of your 4GEE router will also have an effect on your mobile broadband speeds; we recommend that you place your router on or near a window sill. When using the router, the more WiFi enabled devices that you have connected at the same time, the slower your mobile broadband speeds will be on each connected device.

You can use your connection to make VoIP phone calls and for peer to peer file sharing on the EE network. If you do use your connection for peer to peer file sharing, your speed will be slower than usual. Please see our network management policies for details.

You may only use your 4GEE Fixed SIM Card in the router we provide you. If you use it in any other device, or any location other than the address you agreed with us, we reserve the right to cancel your 4GEE Fixed plan. You will also be charged for any additional services that you may have used (e.g. voice calls).

If your monthly data allowance runs out, you can choose to buy one of our 4GEE data add-ons. If you try to use mobile broadband once your monthly data allowance has run out, we'll direct you to our data add-ons page. A data add-on gives you additional data to use for UK mobile broadband until your next bill date (at which point your monthly data allowance starts again). You'll be charged the full cost of the data add-on no matter when you buy it and when your bill date occurs. If you don't use all the data before your bill date, it won't roll over to the next month and you'll lose it. You won't be entitled to any pro-rated refund of unused data.

The speed of your data add-on will depend on which price plan you originally joined. For example, if you purchased a plan with a mobile broadband allowance of 4GB or more, you will experience our double 4GEE speeds. If you purchased a plan with an inclusive allowance of less than 4GB, you'll experience our standard 4GEE speeds.

If you want to use your 4GEE Fixed router and 4GEE Fixed SIM Card abroad (including in Jersey, Guernsey and the Isle of Man), you will need to have the Connection set up for roaming before you leave the UK. Connection may be subject to passing an additional credit check or payable a refundable deposit. You will have to buy a roaming data pass to access the mobile broadband while you're abroad. If you go outside of the countries in the zone for which you have purchased the data you won't be able to use the data and you will be prompted to buy a different data add-on relevant to the new country and zone. The country you're in may not have a compatible 4G network so you will have to use 3G (or whatever compatible local network technology is available). You will also be subject to the traffic management policies of the operator you are using.

You can opt out of the data roaming add-ons by calling +447973100150. Without one of our data add-ons, data will be charged in accordance with our Non-Standard Price Guide for EE Small Business. Please see www.ee.co.uk/business/terms for more information.

In-Building Coverage Terms

Signal Box

Separate terms apply to Signal Box and are supplied with the Signal Box. Use of the Signal Box constitutes an acceptance of these terms.

Terms Applying to All Subscription Options

Changes to Your Service Plan

You can contact us to change to a more expensive service plan at any point during the term of your Agreement with us. Once you have moved up a price point, you may move back down to your original price point, but you may not go below that during the Minimum Term.

SIM Only Option

If you purchase a SIM Only plan, you will need a 4G compatible phone. This means a device that you have bought directly from us, or through an indirect retailer. Phones bought on other networks may not work on our 4G network, but will still be able to access our 2G and 3G networks. If your device is from another network, you may need to get it unlocked before it will connect to our network.

UK Data Add-Ons

Applies to Business Phone and Shared plans, and Mobile Broadband plans

To choose one of the Data Add-Ons call 150 from your EE handset or visit your online account at MyEE. Your Data Add-On gives you additional data to use each month for mobile internet if your data allowance under your plan has run out. You will be charged the monthly cost of the add-on no matter what date you purchase it. We'll send you a text to let you know when your Add-On is ready to use. The data lasts for the rest of your billing month and is for use in the UK only. If you don't use all the data before the end of your billing month, it won't roll over to the next month and you'll lose it.

IDD & Roaming allowances

If your Business Connect or Business Extra plan (or chargeable add-on) includes international and roaming minutes or texts allowance, this Price Guide will detail the countries included in this benefit for your plan and whether minutes and/or texts are included. You can use these benefits for:

- Roaming: Making and receiving calls whilst in an included country, to and from mobiles and landlines in the same country.
- Roaming: Making calls to mobiles and landlines in the UK from an included country.
- Roaming: Making and receiving calls whilst in an included country, to and from mobiles and landlines in a different included country. For example, if France and Germany are included countries, calls to and from France to Germany would be included in your allowance.
- Roaming texts: Sending and receiving texts whilst in an included country to and from mobiles in the same or different included country.

- IDD: Making calls to mobiles and landlines from the UK to an included country. For example, if France is an included country calls to France from the UK are included.
- IDD texts: Sending texts to mobiles from the UK to an included country.

You cannot use the international/roaming allowance for:

- IDD: Texts or calls to any premium rate numbers whilst in the UK. Such calls/texts will be charged at the normal out of bundle rate, your normal plan rate.
- Roaming: Making and receiving calls or texts or using data whilst roaming on a satellite network (access to Satellite networks from your normal phone are offered on some aeroplanes and ships whilst in flight or away from land).
- Roaming: Making or receiving calls and texts whilst in an included country to and from mobiles or landlines in a country outside the included country list above. For example, calls and texts to and from France (an included country) to Afghanistan (not an included country) would not be included in your allowance
- Roaming: Calls and texts to premium rate numbers and other non-geographic numbers (which can vary over time) aren't included even when you are in an included country.

Using Your Device Abroad – Voice and Data Roaming

Applies to Business Phone and Sharer plans, and Mobile Broadband plans

Roaming must be provisioned on the Connection(s) to which any Service Plan or Service Plan Add-On involving Roaming is applied. Bundles are only valid for the specified zones. To be able to make international calls

while Roaming, International Direct Dial calling must also be enabled on your account. Voice and SMS Roaming, and Data Roaming zones are detailed in this Price Guide, and are subject to change from time to time. Calculation of Roaming Charges may vary from time to time.

International Data Roaming Add-Ons

Applies to Business Phone and Sharer plans, and Mobile Broadband plans

To use internet on your phone in any of our Data Roaming countries listed above you'll need to buy one of our data roaming add-ons, unless: (a) you have contacted us before you go overseas to opt out, and in which case you will pay our standard out of bundle rates; or (b) you are in the EE Europe Roaming Zone (defined under the 4GEE Extra plan terms and conditions above) and have purchased a Mobile Broadband (4GEE WiFi) 4GEE Extra plan which includes 100MB allowance of data in that zone. You can buy the add-on when prompted when you land in any of the countries.

The cost of the add-on will be added to your monthly bill. You can use the data in any of the listed countries for the relevant zone for the period of time that the add-on is valid. Remember, if you go outside any of the listed countries you won't be able to use the data and you will be prompted to buy a different data bundle relevant to that country.

We count all time periods based on UK time. Once your add-on runs out, you'll have to buy another one to be able to continue surfing the internet on your phone in our data roaming countries. Remember you can't use your phone for peer to peer file sharing and the country you're roaming in may not have a compatible 4G network so you will have to use 3G.

You can opt out of the Data Roaming add-ons by calling +447973100150. Unless you have: (a) a Data Roaming add-on; or (b) you are in the EE Europe Roaming Zone (defined under the 4GEE Extra plan terms and

conditions above) and have purchased a Mobile Broadband (4GEE WiFi) 4GEE Extra plan which includes 100MB allowance of data in that zone, data will be charged in accordance with our Non-Standard Price Guide for EE Small Business. Please see ee.co.uk/business/terms

Euro Pass Add On

Euro Pass: £3.33 per day for 500MB of Data and Unlimited Minutes and Texts while you're abroad in our Europe Zone (as defined on page 18).

Eligibility: Available to small business customers on selected EE pay monthly plans and customers on Business Connect (Sharer plans) as an individual daily allowance. Not available to customers on price plans that already include an element of monthly roaming minutes, texts or data, or on mobile broadband/Mobile Wi-Fi plans.

What you get: Unlimited minutes and texts to standard UK and our Europe Zone mobile and landline numbers only when you are travelling in our Europe Zone. Calls or texts to premium rate, non-geographic or other non-standard mobile or landline numbers, to countries outside of our Europe Zone or made whilst you are in the UK are not included and will be charged for separately. Picture messages are also not included.

You also get 500MB of data per day. If you've used up 500MB and still want more data, you can buy another pass.

What it costs: The Euro Pass daily charge of £3.33 (excl VAT) per user will automatically trigger each and every day that you're abroad in our Europe Zone when you make a call, receive a call, send a text or use mobile data. A day is from 00:00:01 until midnight UK time. Note that your phone will use data if you have apps on it which automatically update in the background and this will trigger the daily charge. You can turn data roaming off in your phone's settings if you don't want this to happen. Receiving a call when you are in our Europe Zone will also trigger the daily charge, even if you only receive a single call on a particular day but do not make any calls or send text message(s).

How to get it: Opt-in to Euro Pass by texting EUROPASS to 150 or by calling 150 on your phone. It may take up to 24 hours to add it to your

account and you will receive a text message to confirm it has been added. If you prefer to be charged our standard roaming rates, you can opt out of Euro Pass anytime by texting STOP EUROPASS to 150. It may take up to 24 hours for Euro Pass to be removed from your account.

General: If you're using the Euro Pass contrary to your terms of service or these terms, in our reasonable opinion, we can take it away from you, restrict your use and/or charge you our applicable standard rate for data at our sole discretion. We may vary or amend these terms at any time. We will try to give you notice of significant changes if we can. We may remove or discontinue this pass at any time. Euro Pass is for UK based customers only and your phone must be used in the UK at least once every 30 days to make calls. The maximum call duration per call with Euro Pass is 120 minutes after which time, you must redial to continue the call. The countries in our Europe Zone are subject to change from time to time and details are available at ee.co.uk/roaming.

Euro Data Pass Add on

Euro Data Pass: £2.50 per day for 500MB of data while you're abroad in our Europe Zone (as defined on page 18)

Eligibility: Available to Small Business customers on Business Extra plans that do not already include any monthly roaming data.

What you get: 500MB of data per day when roaming in our Europe Zone. If you've used up 500MB and still want more data, you can buy another pass.

What it costs: The Euro Data Pass daily charge of £2.50 (excl VAT) will automatically trigger each and every day that you're abroad in our Europe Zone when you use mobile data. A day is from 00:00:01 to midnight UK time. Note that your phone will use data if you have apps on it which automatically update in the background and this will trigger the daily charge.

You can turn data roaming off in your phone's settings if you don't want this to happen.

How to get it: Opt-in to Euro Data Pass by texting EURODATA to 150 or by calling 150 on your phone. It may take up to 24 hours to add it to your account and you will receive a text message to confirm it has been added.

If you prefer to be charged our standard roaming rates, you can opt out of Euro Data Pass anytime by texting STOP EURODATA to 150. It may take up to 24 hours for Euro Data Pass to be removed from your account.

General: If you're using the Euro Data Pass contrary to your terms of service or these terms, in our reasonable opinion, we can take it away from you, restrict your use and/or charge you our applicable standard rate for data at our sole discretion. We may vary or amend these terms at any time. We will try to give you notice of significant changes if we can. We may remove or discontinue this pass at any time. This pass is for UK based customers only and your phone must be used in the UK at least once every 30 days to make calls. The countries in our Europe Zone are subject to change from time to time and details are available at ee.co.uk/roaming.

Euro Talk & Text Unlimited Add on

Eligibility: Available to Small Business customers on Pay Monthly handset plans.

What you get: Unlimited minutes and texts to standard UK and our Europe Zone mobile and landline numbers only when you are travelling in our Europe Zone (see Roaming & International section of this Price Guide for details of our Zones). Calls or texts to premium rate, non-geographic or other non-standard mobile or landline numbers within our Europe Zone, or to countries outside of our Europe Zone or made whilst you are in the UK are not included and will be charged for separately. Picture messages are also not included.

What it costs: The Euro Talk and Text Unlimited add on charge of £1.67 (ex VAT) per user will automatically trigger each and every day that you're abroad in our Europe Zone when you make a call, receive a call, or send a text. A day is from 00:00:01 until midnight UK time. Receiving a call when you are in our Europe Zone will trigger the daily charge, even if you only receive a single call on a particular day but do not make any calls or send text message(s).

How to get it: Opt-in to Euro Talk and Text Unlimited by texting EUDAY to 441 or by calling 150 on your phone. It may take up to 24 hours to add it to your account and you will receive a text message to confirm it has been added. If you prefer to be charged our standard roaming rates, you can opt out of Euro talk and Text Unlimited anytime by texting EUSTOP to 441. It may take up to 24 hours for Euro Talk and Text Unlimited to be removed from your account.

General: If you're using the EuroTalk and Text Unlimited contrary to your terms of service or these terms, in our reasonable opinion, we can take it away from you, restrict your use and/or charge you our applicable standard rate for roaming at our sole discretion. We may vary or amend these terms at any time. We will try to give you notice of significant changes if we can. We may remove or discontinue this add-on at any time. Euro talk and text unlimited is for UK based customers. The countries in our Europe Zone are subject to change from time to time.

Calling Abroad from the UK Bundles

IDD Bundles are valid for calls from the UK to countries in the specified zones. They can be added and removed on a monthly basis, but must be retained on the account for not less than 30 days in any event. Certain MVNO numbers will not be included in your bundle and will be charged at our standard out-of-bundle rate. Any calls made to numbers that are not a standard mobile or geographic landline will not be included in your bundle and may be charged at a higher rate of £3.50 per minute. IDD zones are subject to change from time to time.

Photo Messages

To choose 50 photo messages add-on, text the short code to 879; call 150 from your EE handset or visit your online account at MyEE. You will be charged from the day that you choose the add-on. The first bill will include a pro-rated charge depending on when you added the add-on to your account during the month. The cost will then be added to your bill and then every bill each month until you ask us to remove it. We'll send you a text to let you know when your add-on is ready to use. You can remove your add-on by visiting your online account at MyEE; by calling 150 or text the removal short code to 879. Your add-on gives you 50 photo messages each month to send to UK mobiles. If you don't use all 50 photo messages in any month, they will not be rolled over to the next month and you'll lose them.

WiFi Calling

With WiFi Calling, EE small business customers can make and receive calls and send and receive texts in the UK over WiFi. You'll need a compatible mobile phone and may need to update your software.

Once connected, you can call and text as normal when using WiFi Calling. All calls made or texts sent using WiFi Calling will be charged as per your EE plan.

Connect your compatible phone to a WiFi network (either public or private): once you've done this your phone will remember the WiFi network for next time. You should see a WiFi Calling icon on your phone when WiFi Calling is ready to use. WiFi Calling will then work when you are in range of and connected to a WiFi network. The way you connect and how you use WiFi Calling will depend on the phone you have. Some phones may only let you use WiFi Calling if you have no signal at all on the EE mobile network. Please check the specifications of the device you are using.

Remember you are responsible for using any WiFi network in line with its terms and conditions and you may be charged for using it. WiFi calls use only small amounts of data, for example a 5 minute call will use about 1.7Mb. But you may want to check whether the phone is also connected to use data over the WiFi network and keep an eye on how much data you are using. EE does not accept any responsibility for the quality, security, availability or coverage of WiFi networks and any calls made or received over them.

You'll need to be connected to WiFi Calling to make or receive a call over WiFi. If you leave the WiFi network during a WiFi call the call will stop and you'll have to redial once you have coverage (either on the EE mobile network or back over WiFi). If you are making a call over the EE mobile network and lose coverage, you'd need to connect to WiFi Calling before redialling. Calls made using WiFi Calling last a maximum of 4 hours: after this time you'll need to redial.

Emergency Services: When using WiFi Calling you will be able to call the emergency services (on 999) but they will not be able to identify your location. You should therefore keep a fixed line phone to use for calls to emergency services and use WiFi Calling only as an absolute last resort.

Business Service

Business Service is EE's name for the support you get as an EE Small Business customer. It comes as a standard inclusive Additional Service and is available from 15th June 2015.

You'll get:

Customer Service Team

EE provides a UK based, dedicated business customer service. Details of this service including the contact details and availability can be found on www.ee.co.uk.

Bill Analyser

This is a secure on-line analysis tool that provides you with an overview of your business mobile account. It allows you to monitor costs, identify usage by individual employees, teams or departments (as you tailor it) and customise reports. It allows administrators to view company billing data while your users can have access to their own usage. It does require Internet Explorer 6 or above and a compatible browser. It is updated monthly a few days after your billing date.

You do need to sign up on-line and speak to a customer service representative to access this feature which is a simple process.

Recycle and Reward Program

When you order new Equipment or Upgrade your existing Equipment in-store you can trade in your old device for money. Find the process and terms on our website.

Get the Edge Magazine

You can subscribe to the Edge Magazine which is EE's on-line Small business magazine. It provides insights into our new products and services,

how other businesses benefit from being an EE customer and highlights special offers.

Access to EE online community

You'll be signposted to the EE online Small Business community web site (<http://community.ee.co.uk/>). Here you can exchange comments, ideas and product reviews with other small businesses. EE will also post on new products, ways of making the best of EE services, activities, events and links to useful content.

Business Referral

If you recommend a new Business Lead and that business signs up with EE then we will apply a one-off credit of £50.00 (ex VAT) to your Account. The following terms apply to this offer:

1. The new Business Lead has to be a Small Business (has less than 50 employees at time of contract) that:
 - signs up with EE Ltd using the EE Pay Monthly Terms for Small Business within 6 months of your recommendation;
 - isn't an existing EE, T-Mobile or Orange Small Business customer;
 - EE isn't already engaged with in the sales process.
2. The credit will be applied to your Account once the new customer has been with EE for 2 weeks.
3. EE reserves the right to withdraw this offer at any time by updating this Price Guide. If you have a business referral in progress you'll still get the airtime credit if it leads to a successful new customer for EE.
4. EE is not obliged to follow up on your new Business leads and in such event we'll have no liability to you.

In Store Help

Our set-up service takes care of configuring devices and checking everything works the way you want. It's free and available at any EE store

Free Phone Replacement

EE offers a replacement service for faulty handsets. Terms apply including eligibility rules. Check these in the relevant section of this Price Guide.

Business Plus

Business Plus is an inclusive Additional Service available from 15th June 2015 to all EE's Small Business Customers who have an Account with more than 5 and up to and including 14 SIM Cards. You get all the benefits of Business Service plus the following:

Priority Routing

When your users call 150 using their EE business phone they will be automatically prioritised above Business Service customers' calls.

Fast Phone Replacement

Gives you a faster replacement service for faulty handsets. Terms apply including eligibility rules. Check these in the relevant section of this Price Guide.

Business First

Business First is an inclusive Additional Service available from 15th June 2015 to all EE's Small Business Customers who have an Account with at least 15 SIM Cards. You get all the benefits of Business Plus and Business Service plus the following:

A Business Account Manager who will support the account holder and one other nominated person in your business by:

- Contacting you in your first few days of joining EE to make you aware of the range of EE services available to you and how best to take advantage of them;

- Managing any technical or billing issues you may have including using the Bill Analyser tool. And If your Account manager can't resolve the problem then they'll escalate and track the problem within EE through to closure;
- Giving you information on new product launches, events and workshops that would be appropriate to your business.

VIP Access to New Devices

With this feature you can nominate two people on your account (one of whom has to be the account holder) who can benefit from priority access to the latest handsets from EE. The Account manager will ensure you are advised as early as commercially possible of the launch of new products and given the opportunity to place a priority order of up to two of these new handsets. These priority orders will be shipped ahead of non-Business First orders but will be subject to product availability and processed in the order that they were received within the Business First customer group. Normal Upgrade terms apply. This benefit isn't transferable.

On-Site Set Up

EE will, at the request of You or your nominated contact, support on-site meetings at your office or place of business to assist in the setup of new and/or Upgraded phones. The EE rep will help with the transfer of existing contact details, emails, applications, get the new Equipment working, download new EE apps that you are eligible for and address any technical questions you may have or pass any issues that cannot be resolved that day on to the Account manager.

You are limited to two half day on-site meetings per calendar year. Each on-site visit will usually consist of one EE representative.

Free Next Day Delivery

Telesales and Online orders – You'll get free next day UK delivery as standard on all online orders if we get your order by 5pm. Includes multiple devices ordered at the same time to the same address.

Depending on stock levels, some things may take a little longer, but we'll let you know by email if this happens. DPD will send you a text the day before your EE order arrives to confirm delivery details.

General Terms that apply to all Business Service/Business Plus/Business First Customers:

1. Any SIM Cards on 30 Day SIM Only, Consumer, Fixed and Fibre Broadband Plans do not count towards your qualifying SIM Cards for Business Service, Business Plus and Business First levels but do benefit from the level of support your business qualifies for.
2. As your business grows you will move up to the next level of support with EE.
3. If your number of SIM Cards drop below the qualifying number we'll normally let you stay at the higher tier of support but we do retain the right to move your level of support to the relevant lower tier.
4. If your account is overdue on payment then we reserve the right to suspend this Additional Service in whole or in part.

Phone Replacement

(Version 1.2) (17 June 2015)

Fast Phone Replacement
£20

These terms only apply to eligible Devices provided by EE to new customers or customers that have re-signed a new Agreement with EE after 17 June 2015. For new Devices provided to customers with Agreements that pre-date 17 June 2015 and which were eligible for the Faulty Replacement Service, the Faulty Replacement Service will apply (see the Legacy Price Guide for Business for applicable terms).

B2BLegal1201 EE Price Guide for Small Business EXT Document V5.3 12.08.2016

1. What is it?

Phone Replacement for EE Small Business (the "Service") covers Devices that are Faulty as set out below.

This Service applies if You purchased an eligible Device (as set out below) directly from EE or, where you purchased the Device from one of EE's authorised resellers, if that Device was sourced from EE. You can find out if Your Device was sourced from EE by calling 150 from Your EE phone.

The Service is additional to, and does not affect, the legal rights that You may have under the general law against the retailer of the Device (which may or may not be EE) or under any separate warranty offered by the manufacturer of the Device.

There are two levels of the Service: **Free Phone Replacement**, which is a standard inclusive service provided with all Your eligible Devices at no additional charge; and **Fast Phone Replacement**, which can be bought from EE for a one-off charge of £20 at the time of replacement each time you use the service. The one-off charge will be included on Your next bill. Fast Phone Replacement will give you a quicker replacement as detailed below. Fast Phone Replacement is free of charge for customers who have Full Cover or Damage Cover insurance from EE, and to Business Plus and Business First customers .

The Service is subject to these terms and conditions (which supersede any previous terms and conditions for the Service). EE may amend these terms and conditions from time to time.

The Service is available for EE Branded Devices and Qualifying Non-Branded Devices.

2. Defects caused by faulty materials or workmanship

If Your Device is Faulty (as defined below), EE will replace it at no extra charge provided that:

- Your Device has been used in accordance with the manufacturer's operating instructions and any operating instructions issued by EE; and
- all repairs have been/are arranged by EE; and
- You comply with these terms and conditions and the terms of Your Agreement; and
- the Device is registered and connected to the Network in Your name under a current Agreement; and
- You continue to meet the eligibility requirements of this Service.

3. Service period

The Service starts when you register the Device on the Network and continues for the Minimum Term of the Price Plan for Your Device, subject to a maximum of 24 months. If Your Device is an Apple iPhone or iPad, the Service only applies from months 13 to 24, subject to earlier termination of the Minimum Term of the Price Plan for Your Device.

The Service will also end if:

- the Agreement under which Your Device is connected to the EE Network is terminated; or
- the Device is not registered on the Network; or
- You are in breach of Your Agreement or Your Device is suspended or terminated for any reason.

Once the Service expires or ends, it cannot be extended.

4. What is not covered by this Service?

The Service does not cover:

- Devices that were either not sold or supplied to you directly by EE, or were not sourced from EE;

- Apple iPhones or iPads for the first 12 months. Faults during this period will be referred to Apple;
- dongles, mobile wi-fi devices, accessory or SIM enabled cameras, connected watches, or other devices that are not mobile phones or tablets;
- Device accessories which are not integral to the Device such as wrist straps, carry cases or styluses which may be covered by the manufacturer's warranty, if any;
- batteries which are more than 6 months old; or
- Your Device for **loss, theft or damage**. If You need this cover, please ask EE as other EE products can provide this type of cover.

The Service is not available if You are:

- not a business customer on the EE Pay Monthly Terms for Small Business with less than 50 employees at time of contract;
- on a SIM only connection;
- on PAYG; or
- on any Price Plan that expressly excludes the Service.

These terms and conditions do not cover network services. Network service is subject to Your Agreement.

5. EXCLUSIONS and LIMITATIONS

Your Device will not be replaced where there is a fault or defect caused by or consisting of:

- **(wear and tear)** – normal wear and tear, rusting or oxidation or other deterioration due to normal use or exposure or atmospheric or climatic conditions;

- **(manufacturer's guarantee or warranty exclusion)** – something specifically excluded under the terms of the manufacturer's guarantee or warranty for the Device or that is the subject of a manufacturer's recall of faulty products;
- **(network service)** – breakdown or interruption of the network service;
- **(unauthorised maintenance or faulty workmanship)** – damage during any testing, repairing, adjusting, servicing or maintenance operation or caused by improper or unauthorised repair, maintenance or modification;
- **(cosmetic damage)** – damage which does not impair the normal functions of Your Device;
- **(computer virus)** – damage caused to Your Device or Your content, software and data on Your Device by a computer virus;
- **(manufacturer's instructions)** – disregard of the manufacturer's instructions for operation and care of Your Device; or
- **(EE Device-specific limitation)** – anything that EE has stated to You as not being covered under the terms of the Service.

Your content, software and data on Your Device will be lost as a result of replacement under the Service. You must ensure that You have backups. EE is not liable for any such losses.

The Service does not cover You for loss of use or consequential loss of any kind (for example loss of business/unauthorised calls).

Your account with EE must be paid up to date in accordance with Your Agreement for a replacement to be made. The Service will cease immediately if any account with EE is not paid when it is due unless the non-payment is due to a delay caused by a processing error by a clearing bank or due to a genuine dispute over amounts due on Your account.

If You or anyone acting on Your behalf makes any false or fraudulent claim or supports a claim by providing false or fraudulent documentation, device or statements, this Service shall be void and will terminate and You will forfeit all rights under the Service.

6. Replacements

If Your Device is Faulty EE will replace the Device.

If your Device develops a fault that You believe qualifies it as Faulty under this Service You should contact EE by calling us on 150 from Your EE phone or 07953 966 250 from another phone. EE will carry out an initial over-the-phone diagnosis and, if the Device appears to be Faulty, EE will arrange to provide a replacement Device and for the return of Your Faulty Device to EE. EE may at its discretion require You to return Your original Device for examination before a replacement is authorised or issued.

Replacement of any Device will only be made with an EE product and will be from refurbished stock that has been tested and is fully functional. A replacement Device may be of a different model to that sent for repair, provided that such a replacement will be (in EE's reasonable opinion) of a similar specification.

Replacements will normally only be made of that part of Your Device which is Faulty so if the handset were faulty You will be provided with a replacement handset but You would retain the original battery, charger and SIM Card.

In the event of a claim under this Service, You are only entitled to the replacement of Your Device. There is no entitlement to any refund or compensation.

You may be charged the EE list price for any replacement Device where Your original Device is found by EE to be damaged rather than Faulty, or if no fault is found with it.

Any replacement Device will continue to be covered by this Service for the remainder of the period that the policy would apply to Your original Device (i.e. for the remainder of the Minimum Term of the Price Plan for the original Device up to a maximum of 24 months from the date the original Device was registered on the Network).

7. Delivery timescales

Replacements under Free Phone Replacement will be provided within 3 to 5 days.

Replacements under Fast Phone Replacement will be provided either on the same calendar day if Your claim is received and accepted before 10.30am, or the next calendar day if Your claim is received and accepted before 7.30pm. Fast Phone Replacement includes weekends, but excludes bank or public holidays, and is subject to delivery slot availability.

Same day or next day deliveries under Fast Phone Replacement are not available to the following destinations: Northern Ireland, Isle of Lewis, Inverness, Isle of Arran, Hebrides, Perthshire, Isles of Scilly and Shetland Isles. Please contact EE to check the delivery timescales to these destinations. Same day delivery is also not available to: Aberdeen (unless the claim is received and accepted by EE before 9am), Channel Islands, Isle of Man, Isle of Wight or Orkney Islands. Only postal (not courier) delivery is available in the Channel Islands and the Isle of Man.

Deliveries under the Service may be made any time during one of the following delivery windows: 9am to 1pm; 1pm to 5pm or 6pm to 10 pm. Same day deliveries under Fast Phone Replacement are made between 6pm to 10pm. Specific timeslots/appointments are not available and You must be available at the relevant address to receive the delivery.

Delivery Charges

- The Service includes the cost of delivery of a replacement Device.

- The Service does not include the cost of aborted deliveries, for example, where You are not available to accept a replacement Device or the Faulty Device was not available for collection at a pre agreed time and place. EE reserves the right to charge You for aborted deliveries. The current charge is £16.67.

8. Return of Device to EE

Where a replacement has been supplied, the original Device is EE's property and must be returned to EE at the time the replacement is delivered. If You fail to provide the original Device at the time the replacement is delivered, then You will be charged the list price for the replacement. You should retain any removable battery, memory cards and SIM Card that you use in Your Device, and must remove any activation lock from the Device before it is returned to EE.

9. In Life Changes

If You make any changes to Your Account that mean Your Device is no longer eligible for the Service then the Service will cease from the point at which Your Device became ineligible.

If You change Your Device it is Your responsibility to check that it can still be covered by the Service.

10. Upgrading

If You Upgrade Your Device, Your entitlement to the Service will depend on whether Your Device continues to meet the eligibility criteria detailed herein. Your old Device will no longer be covered by the Service from the point of Upgrade. *The Service only applies to Your most recently Upgraded Device.*

11. General

Changes - The terms of the Service may be varied after EE has given You 30 days' notice.

Assignment - You cannot sell, assign or transfer the benefit under the Service to anyone else.

Applicable Law - English Law will apply to these terms and conditions and the English Courts shall have exclusive jurisdiction to determine any dispute.

12. Interpretation and definitions

Where the context permits any defined term in this document shall have the same meaning as in Your Agreement. In this document:

Agreement means the EE Pay Monthly Terms for Small Business.

Device means a mobile telephone or tablet provided to You by EE, or (where provided by an approved EE reseller) sourced from EE, that is connected to EE's Network, excluding Apple iPhone or iPad for the first 12 months; consisting of a handset, standard battery and SIM card, and which is either an EE Branded Device or a Qualifying Non-Branded Device.

EE Branded Device means a Device that is branded with the EE logo.

Faulty means:

- that Your Device has developed a fault and does not operate in accordance with its normal specification or operating instructions; and
- such fault is caused by faulty materials or workmanship; and
- such fault (or the cause of such fault) is not otherwise excluded under these terms and conditions.

Qualifying Non-Branded Device means any Device that doesn't carry the EE logo, but which EE has designated as being eligible for the Service.

You and Your means the EE Small Business Customer who is party to the EE Pay Monthly Terms for Small Business and who has less than 50 employees at time of contract.

Group Calling

Group Call is included as standard on both Business phone plans and Business Connect (sharer) plans, and will be charged as a call to an EE mobile number.

Charges

All Charges in this Price Guide are exclusive of VAT.

All call charges will be rounded to the nearest tenth of a penny. Your first month's bill will contain a pro-rated sum depending on when you were Connected and your full subscription charges for the subsequent month.

The allowance you have used will be worked out when we print your bill. Any billing information we provide to you prior to then is an estimate only.

Network Terms

Service is subject to EE's standard network terms, as set out in your Agreement with us, the most current version of which (including fixed broadband network terms) is available online at www.ee.co.uk/business/terms.

We reserve the right to amend these terms, or to withdraw or amend any service plan in this Price Guide at any time. If We do that we will do it in accordance with the notice provisions set out in the Network Terms you have agreed to.

References to EE in these terms and conditions are to EE Limited, registered under company number 02382161, with offices at Trident Place, Mosquito Way, Hatfield, Hertfordshire, AL10 9BW.
