². Calls & text messages to certain MVNO ranges and call forwarding services are not included in your allowance. A pre call announcement may be heard prior to call connection. Text messages are charged at 15p per message. See 'points to note' for more information.

³. Your inclusive minutes and texts are from the UK to UK mobile networks, voicemail, and numbers beginning 01, 02 and 03.

⁴. Unless otherwise stated, a one minute minimum call charge applies. Thereafter calls are charged on a per minute basis.

⁵. Calls to some charity helplines (e.g Childline) are free to call and will not be deducted from your allowance. For a full list please visit the help section of our website ee.co.uk

⁶. Call charges vary depending on the time of your call as well as other optional selections that you may choose. Charges apply to calls made to 150 as well as alternative longer numbers. You will be notified of call costs and have the option to end the call at that point without incurring any charge. Please see our 'Non-Standard Service' brochure for further details and for definitions of our "normal working hours" and "extended working hours."

⁷. Call divert is included in your allowance where the diverted to number would have ordinarily been included in your allowance. Standard call rates apply to outside of allowance calls.

⁸. If you exceed your monthly data allowance during any billing month you will be charged £5 for each additional 250MB of data you use up to 1GB. If you exceed 1GB of data above your monthly data allowance, you will be charged £20 for an additional 1GB (on top of the 250MB bundles). The charge will be incurred as soon as you exceed your data allowance during the billing month. After 2GB your speed is restricted. Maximum charge is £40.

⁹. A daily flat rate of £1.99 per day applies for out of bundle data usage. This is subject to a daily fair usage allowance of 25MB, and a monthly download limit of 500MB. 25MB provides enough data for normal levels of email usage and browsing. Please note, should you regularly exceed the 25MB daily fair usage allowance and as a result, you reach your 500MB limit before the end of the monthly period, network protection controls may be applied to your service. This may result in a reduced speed of transmission.

¹⁰. Please see ee.co.uk/ukcalling for a list of Service Charges.
