## Mobile Broadband

### Mobile Broadband Pay-Per-Day<sup>1</sup>

1 Day <sup>1</sup>	£2
7 Days <sup>1</sup>	£7
Any 7 Days <sup>1</sup>	£10
30 Days <sup>1</sup>	£15

### Broadband Packages

3 Months MBB Booster <sup>2</sup>	£30
-----------------------------------	-----

- 1 To get Mobile Broadband you'll need a compatible laptop, a Mobile Broadband device (which you'll need to buy) and mobile broadband coverage. You'll need to choose if you want a day, a week, any 7 days to use over 30 days (for customers joining from 1 Feb 2011 only), or 30 days of Mobile Broadband. If you're a pay as you go customer, the cost will come straight out of your top up credit. If you're a pay monthly customer, the cost will be added to your monthly bill. Your day will run out exactly 24 hours after you buy it. If you've bought 1 week, it will run out exactly 7 days from when you bought it. And if you've bought 30 days it will run out exactly 30 days from when you bought it. If you've bought any 7 days you'll have 30 days from the time of purchase to use your 7 days, or you'll lose them. Each day will last for exactly 24 hours from the moment you activate it. When your Mobile Broadband runs out you'll then need to buy more days to keep using it. If you want to use Mobile Broadband outside the UK you'll need to pay more. If you don't use your plan for 180 days, we'll cancel it and your Mobile Broadband device won't work. You'll lose any top up credit left on your account. Each plan comes with a fair use policy depending on when you joined T-Mobile. You can buy an additional day, week, Any 7 days and 30 days time periods before your current time runs out. The additional time period will start automatically and immediately the first one stops. The day has a fair use policy of 0.25GB (0.5GB for customers who joined before 1 Feb 2011), the week has a fair use policy of 0.5GB (1GB for customers who joined before 1 Feb 2011), any 7 days has a fair use policy of 0.25GB for each day and the 30 day has a 1GB fair use policy (2GB for customers who joined before 1 Feb 2011). We'll monitor how much you send and receive during your plan so that we can protect our network for all customers. If you use more than your fair use policy amount, we won't charge you any more, but we may restrict how you can use your plan. Remember that you can't use your plan to make internet phone calls. If you want pay monthly Mobile Broadband Pay per day we may need to do a credit check.
- 2 You get 90 days of Mobile Broadband and a Mobile Broadband USB Stick. You'll need a compatible laptop and mobile broadband coverage. You'll need to activate your Mobile Broadband by clicking on the 'Activate' button on the Mobile Broadband landing page. When your 90 days of Mobile Broadband is up, you can then buy one of our other great pay per day options or another 90 days. Remember that your 90 days of Mobile Broadband has been paid for up front and that you won't be able to get a refund if you stop using it within that time. To make sure all our customers get a high quality of service, a fair use policy of 1GB per calendar month applies to your initial 90 days (for customers who joined from 1 Feb 2011) or 2GB (for customers who joined before 1 Feb 2011). We'll monitor how much you send and receive each calendar month so that we can protect our network for all our customers. If you use more than your fair use policy amount, we won't charge you any more, but we may restrict how you can use your plan. Remember that you can't use Mobile Broadband to make internet phone calls and if you want to use it outside the UK you'll need to pay more.
