

# EE RISING STAR

## PRIZE DRAW TERMS

Version 02

## **NOMINEE ELIGIBILITY**

The EE Rising Star Award honours a young actor or actress of any nationality who has demonstrated exceptional talent and ambition and begun to capture the imagination of the British public as a film star in the making.

Nominees must have appeared in a film which is eligible for the 2018 EE British Academy Film Awards (see <http://awards.bafta.org/entry> for rules and guidelines).

The five nominated actors and actresses will usually have several film performances under their belt, in addition to one in the current year. Although this award is designed to encourage actors at the beginning rather than the end of their careers, it is not intended as a true 'beginner's award', nor is it intended to be for child actors (those shortlisted will usually be aged between 18 and 32). In exceptional circumstances, a star-making debut will be considered, but this will be the exception rather than the norm.

Previous nominees or those previously featured on a public longlist are not eligible.
