mask to reveal your inner
superhero.

The Astronaut

**Wear your helmet in the
Sci-Fi AR film set filter.**

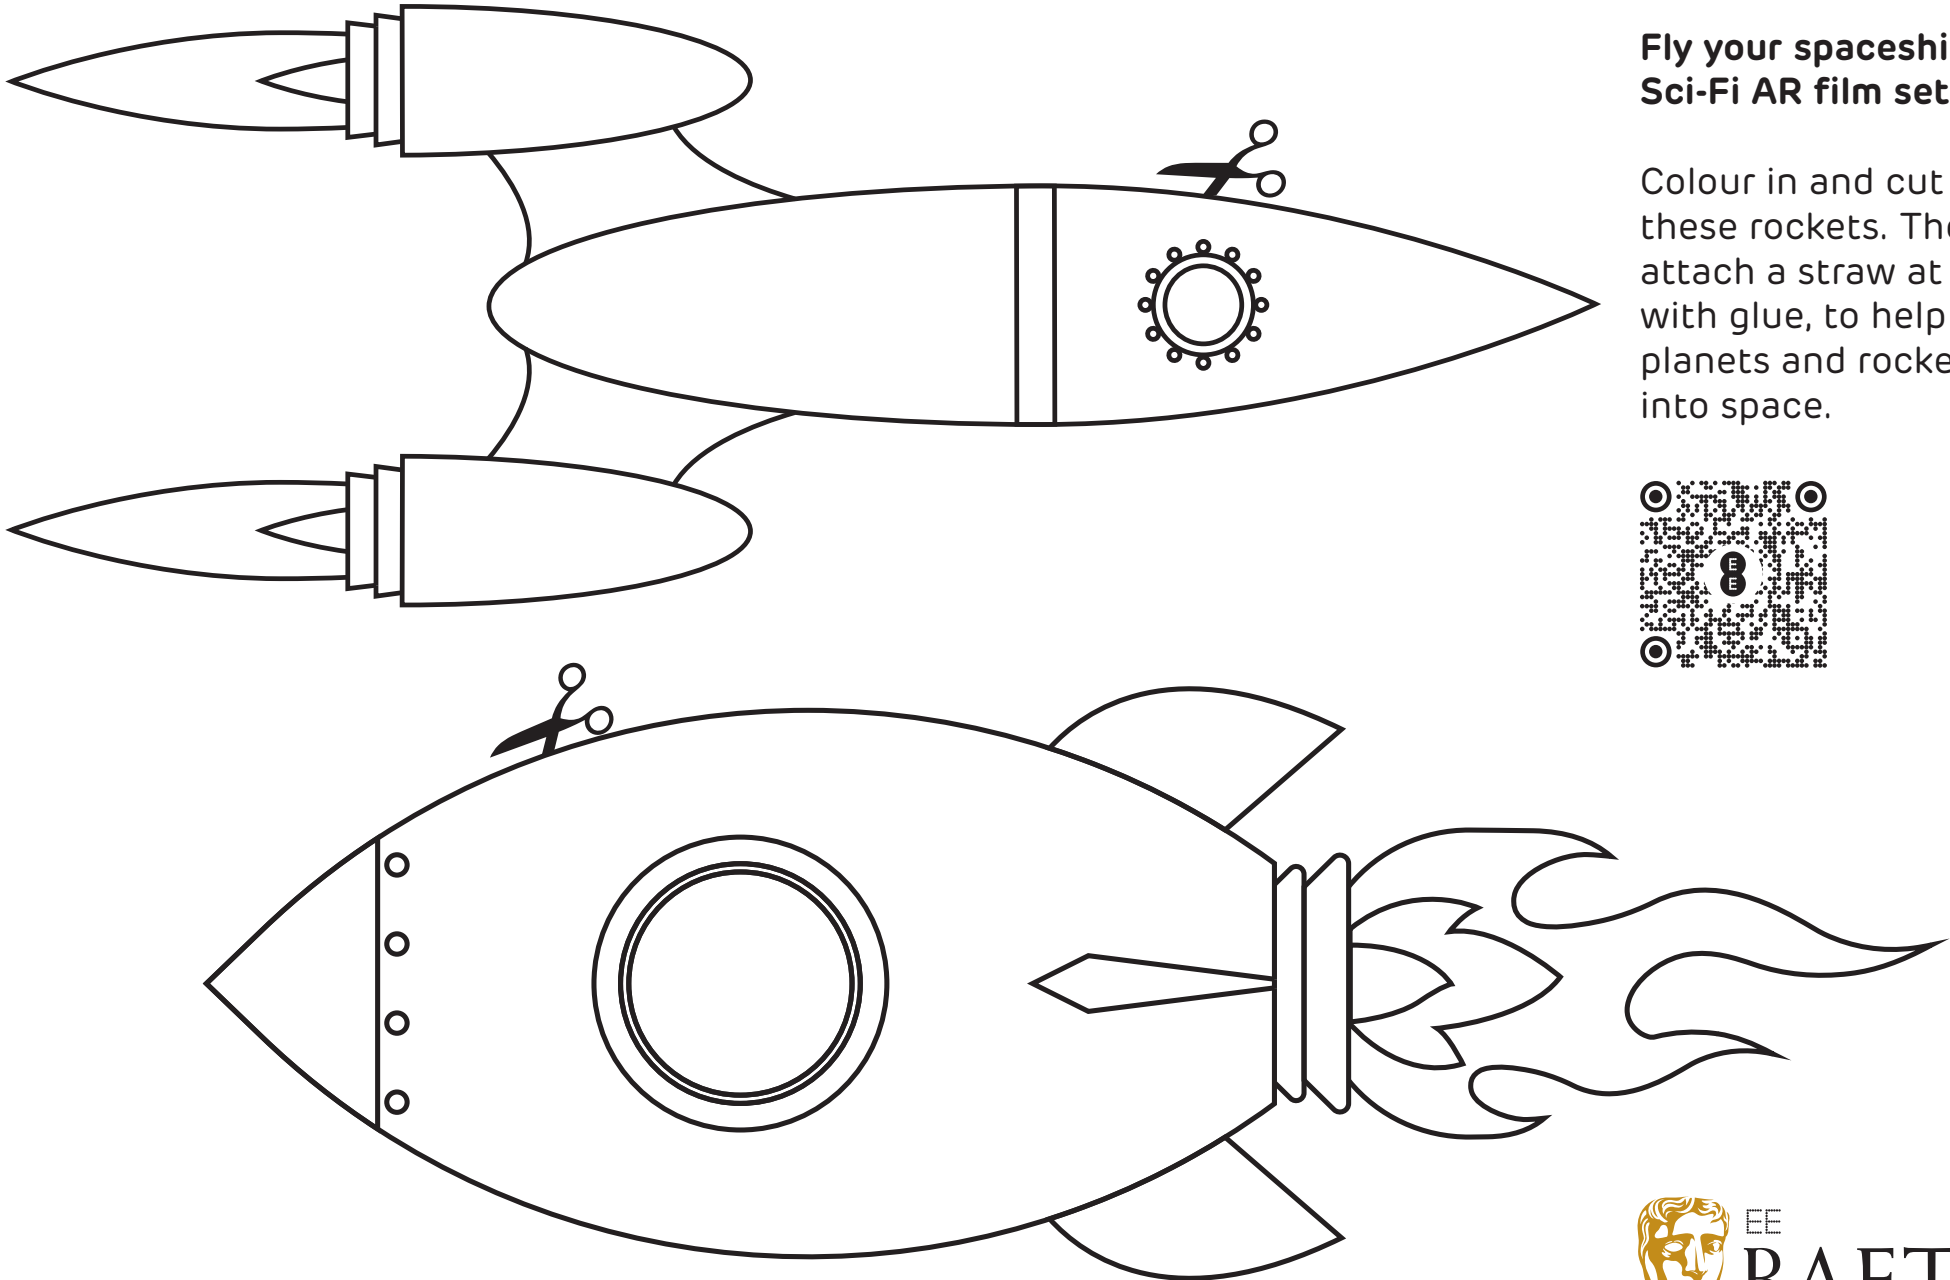

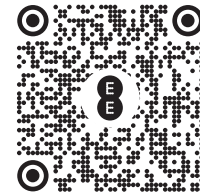

Colour in and cut out the
helmet and visor to become
a space explorer.

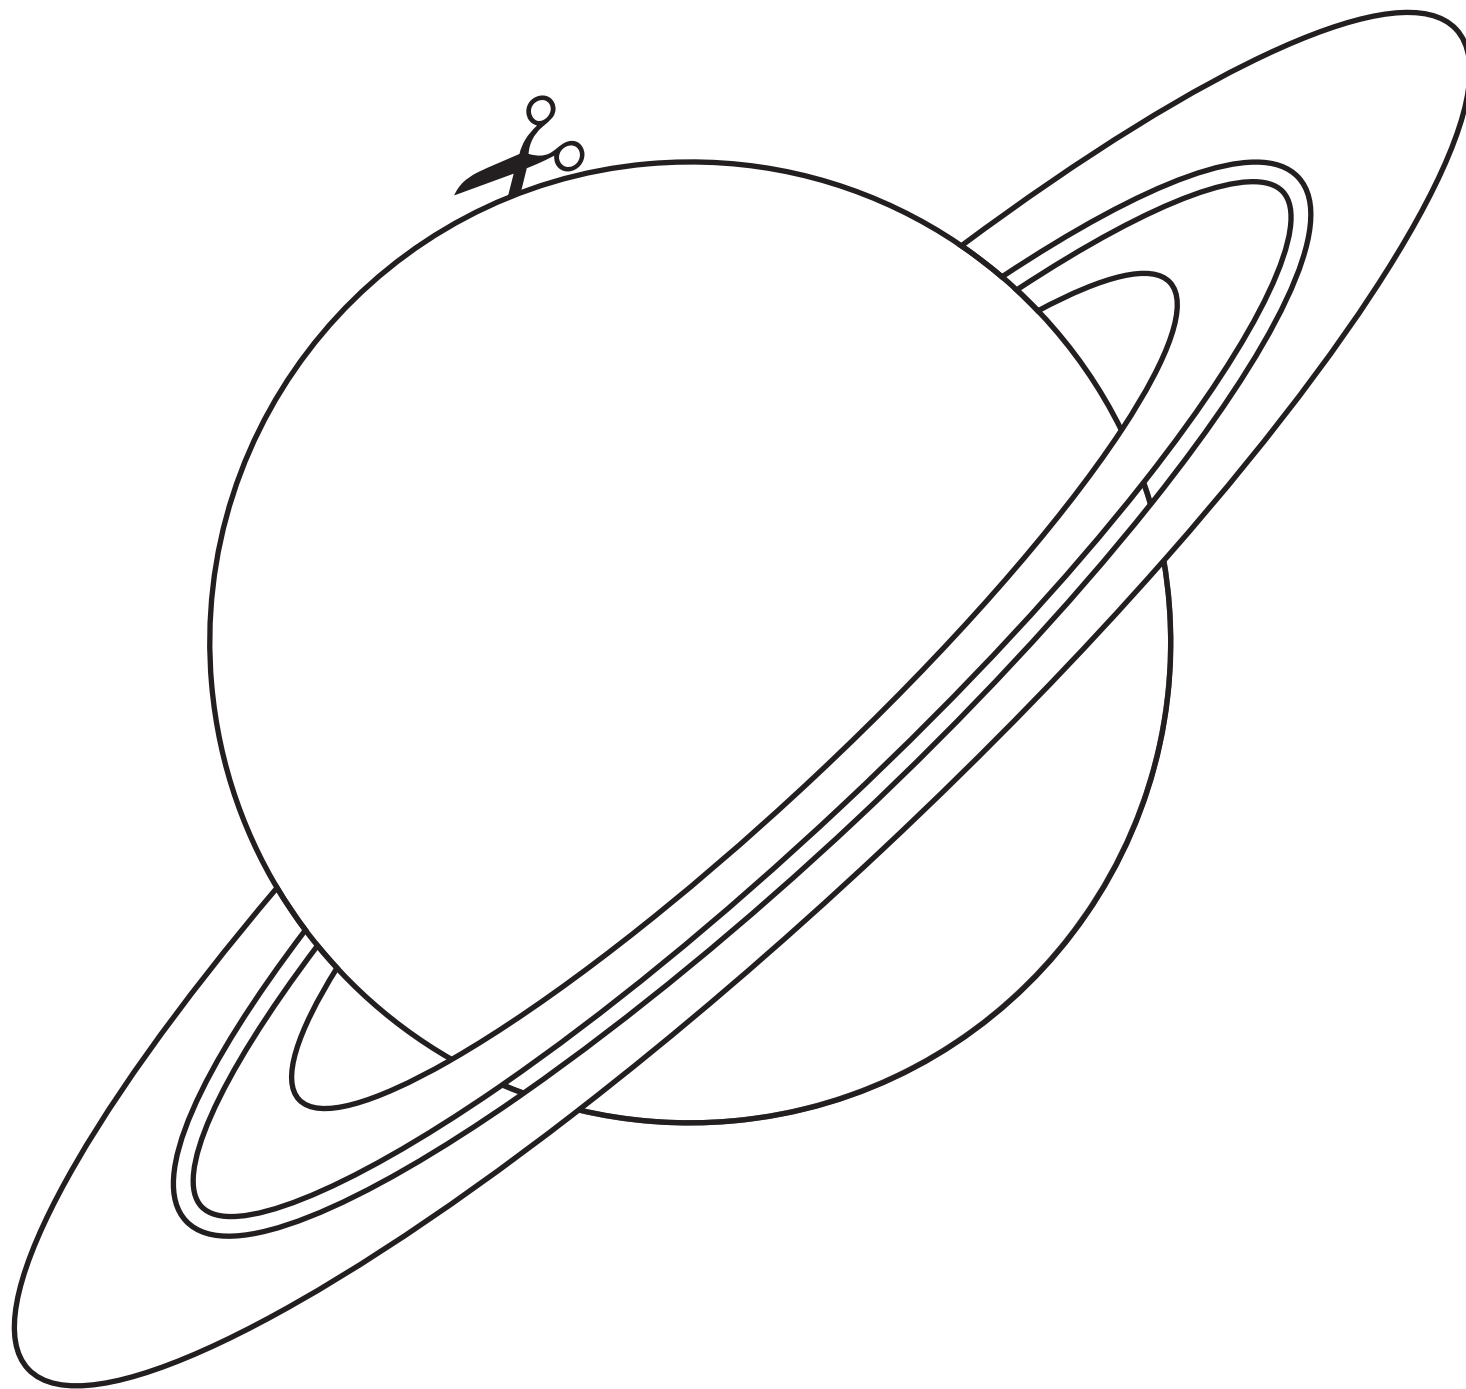

Spaceships

Fly your spaceship in the Sci-Fi AR film set filter.

Colour in and cut out these rockets. Then attach a straw at the back with glue, to help your planets and rockets fly into space.

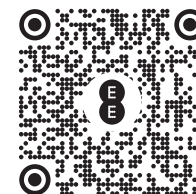

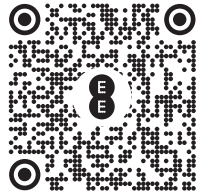

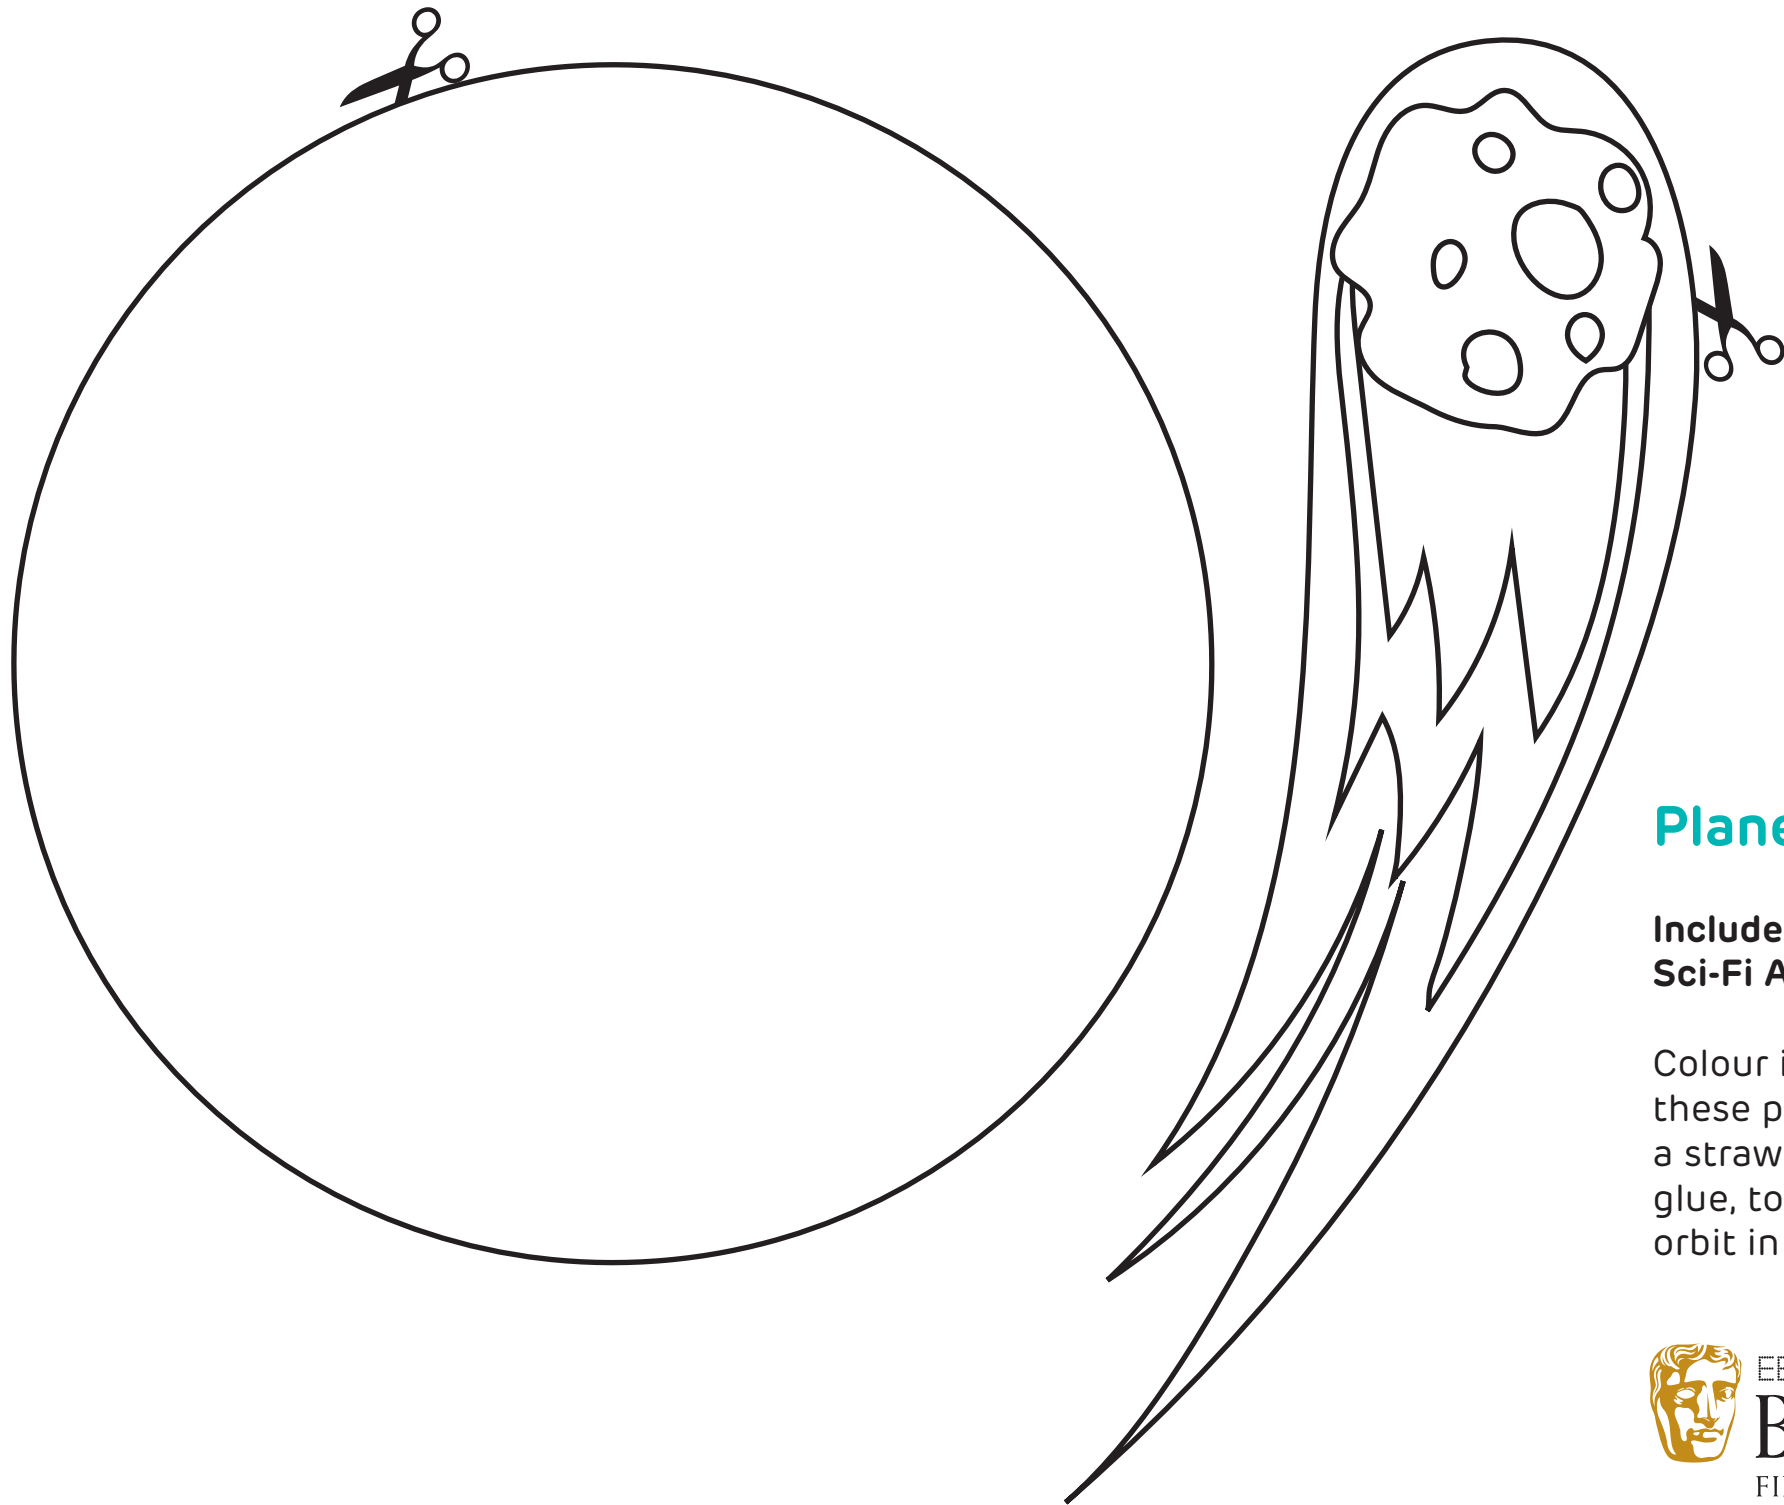

Planets

Include your planet in the Sci-Fi AR film set filter.

Colour in and cut out these planets, then attach a straw at the back with glue, to help your planets orbit in space.

Planets

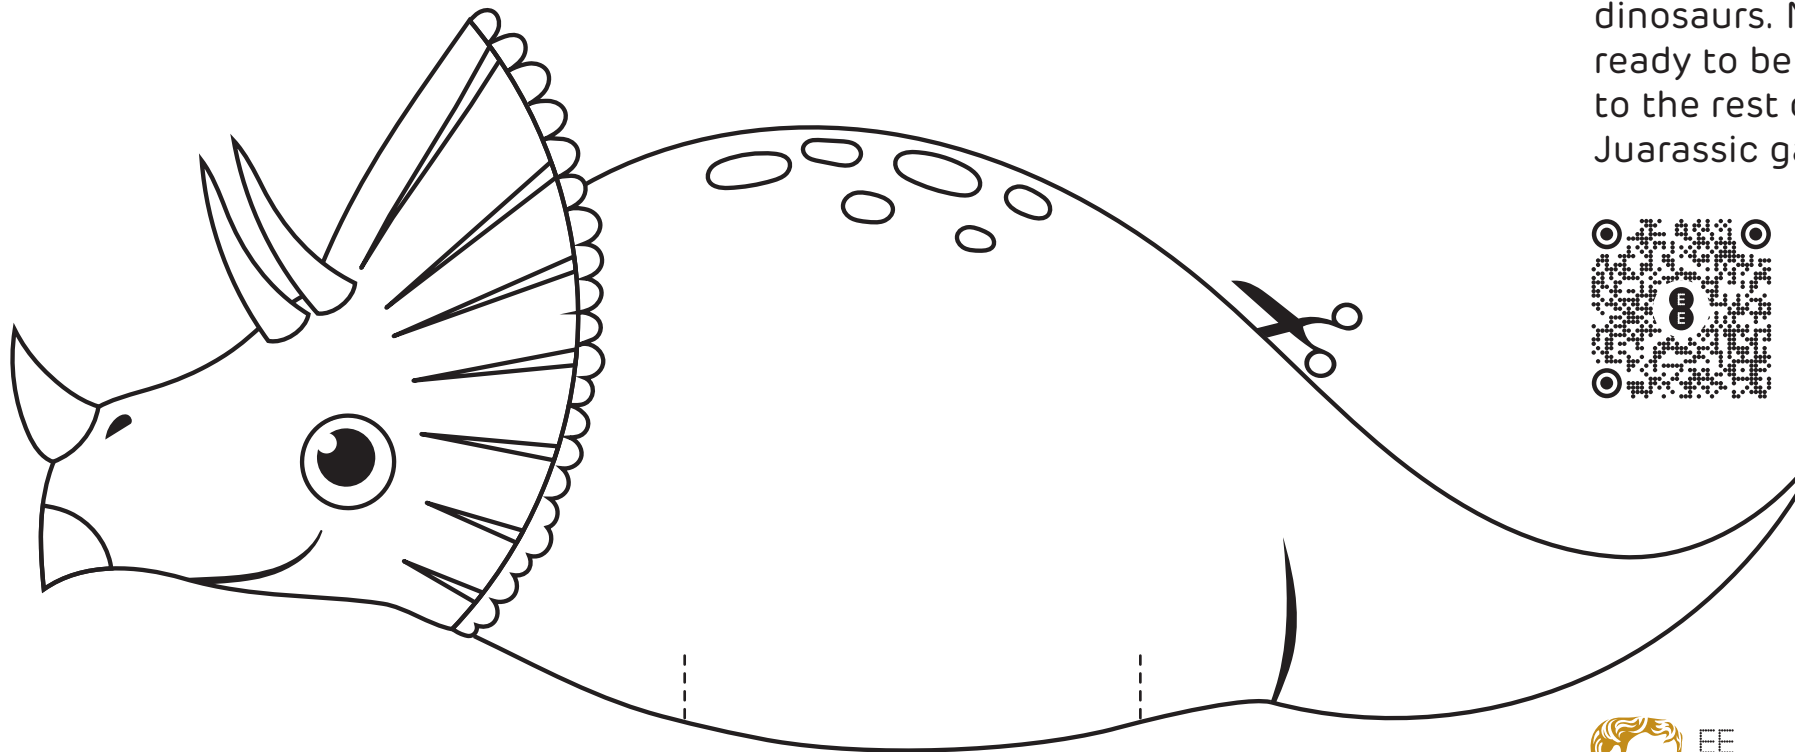

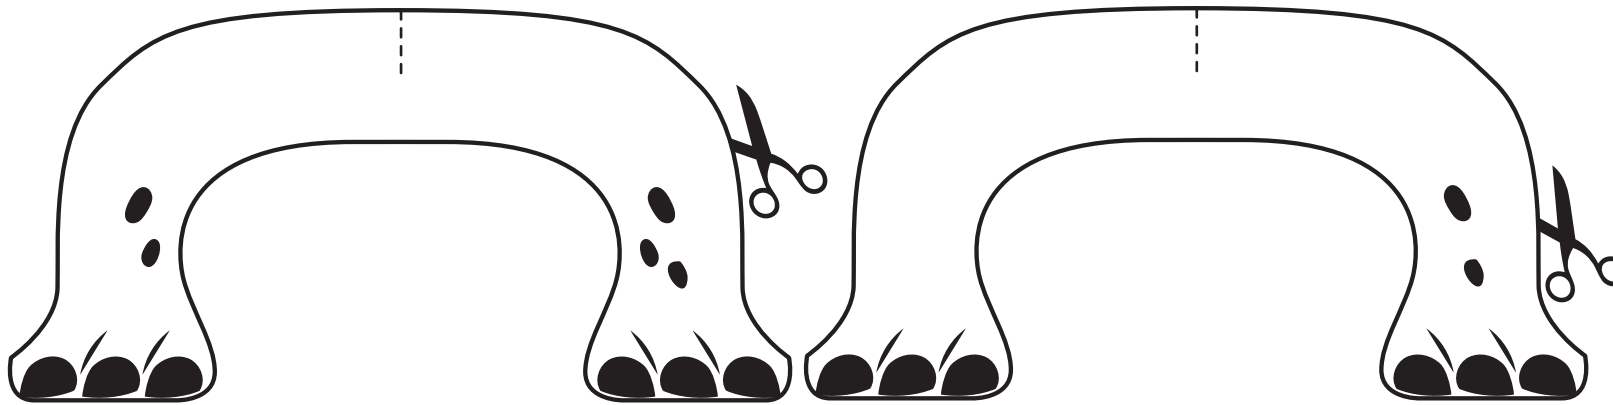

**Include your planet in the
Sci-Fi AR film set filter.**

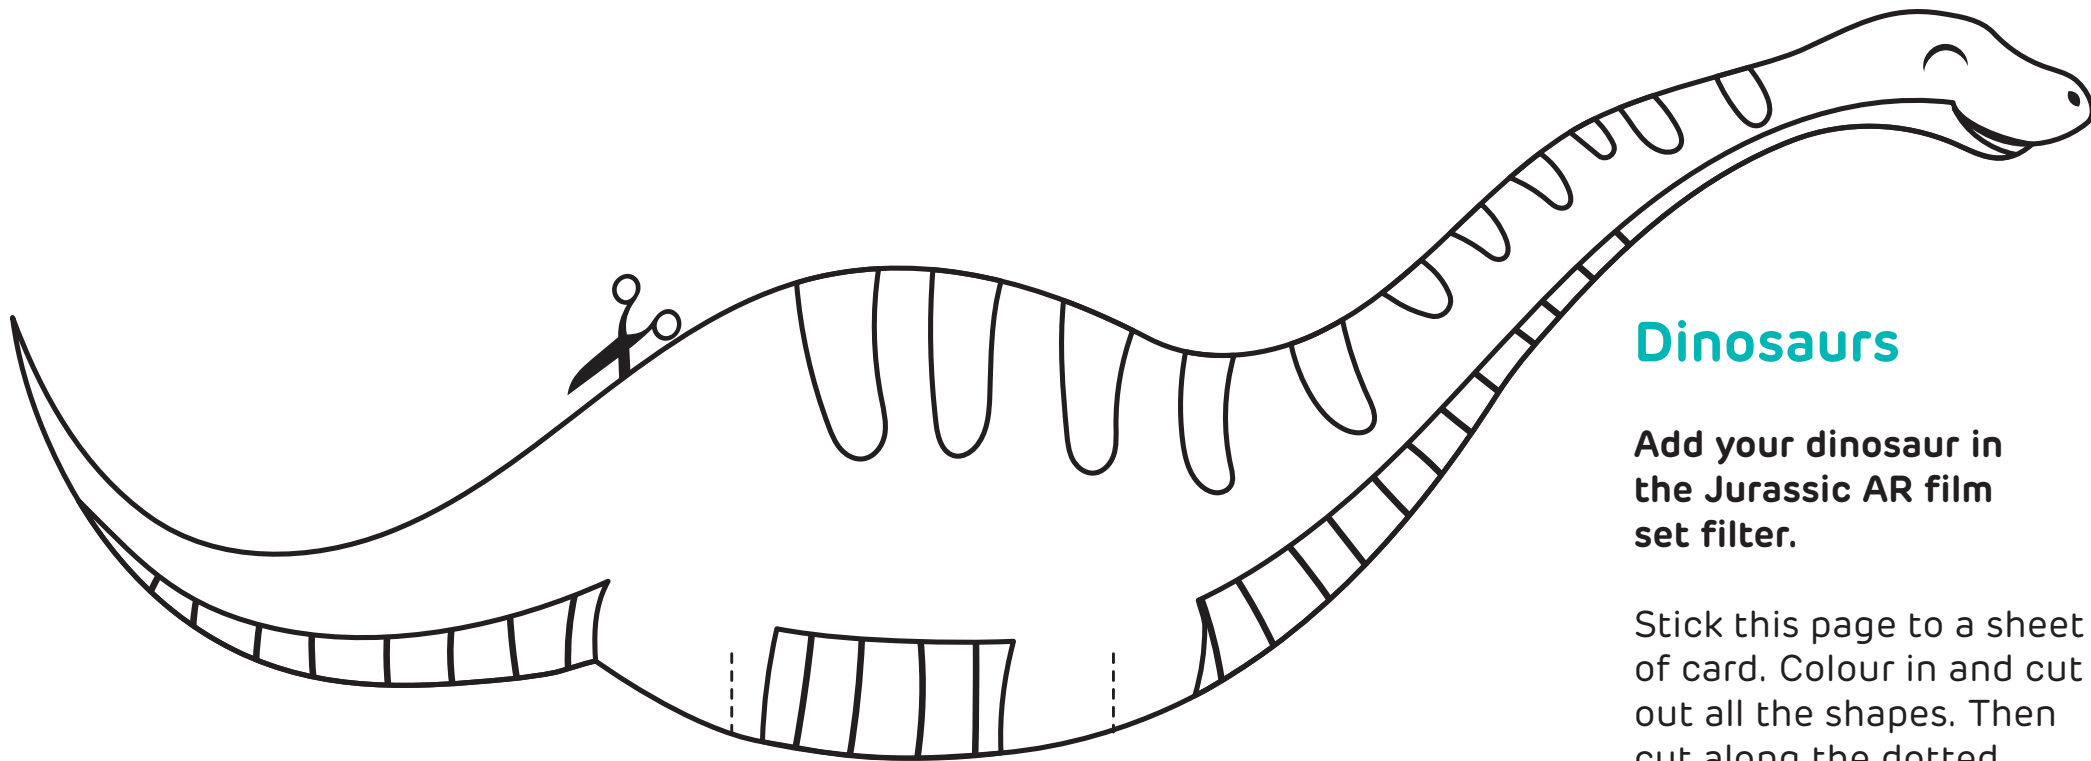

Colour in and cut out these planets, then attach a straw at the back with glue, to help your planets orbit in space.

Dinosaurs

Add your dinosaur in the Jurassic AR film set filter.

Stick this page to a sheet of card. Colour in and cut out all the shapes. Then cut along the dotted lines to attach the legs to the dinosaurs. Now they're ready to be introduced to the rest of the Jurassic gang.

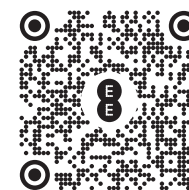

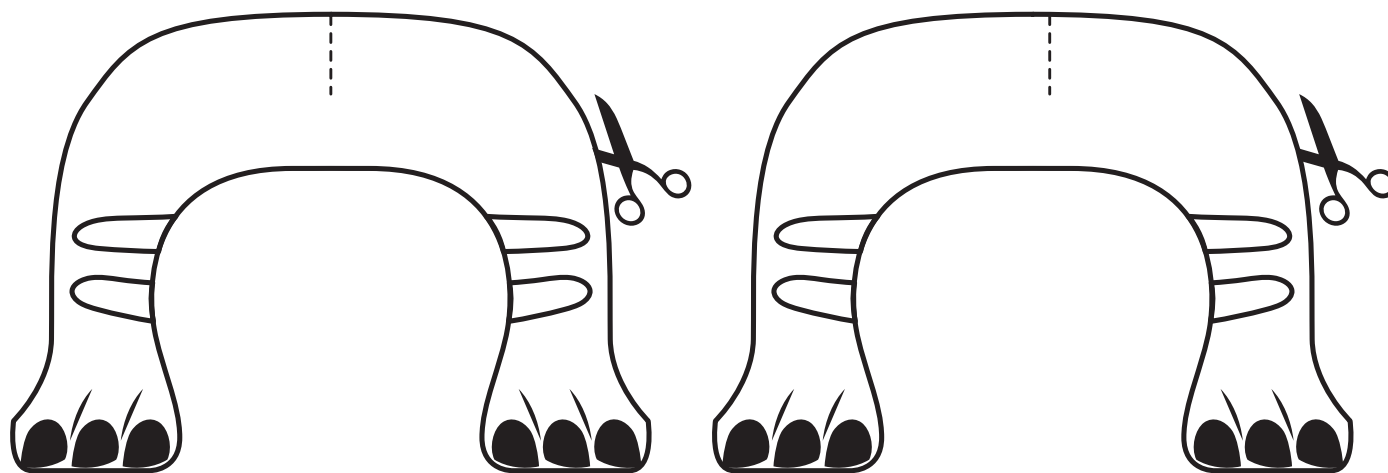

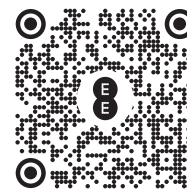

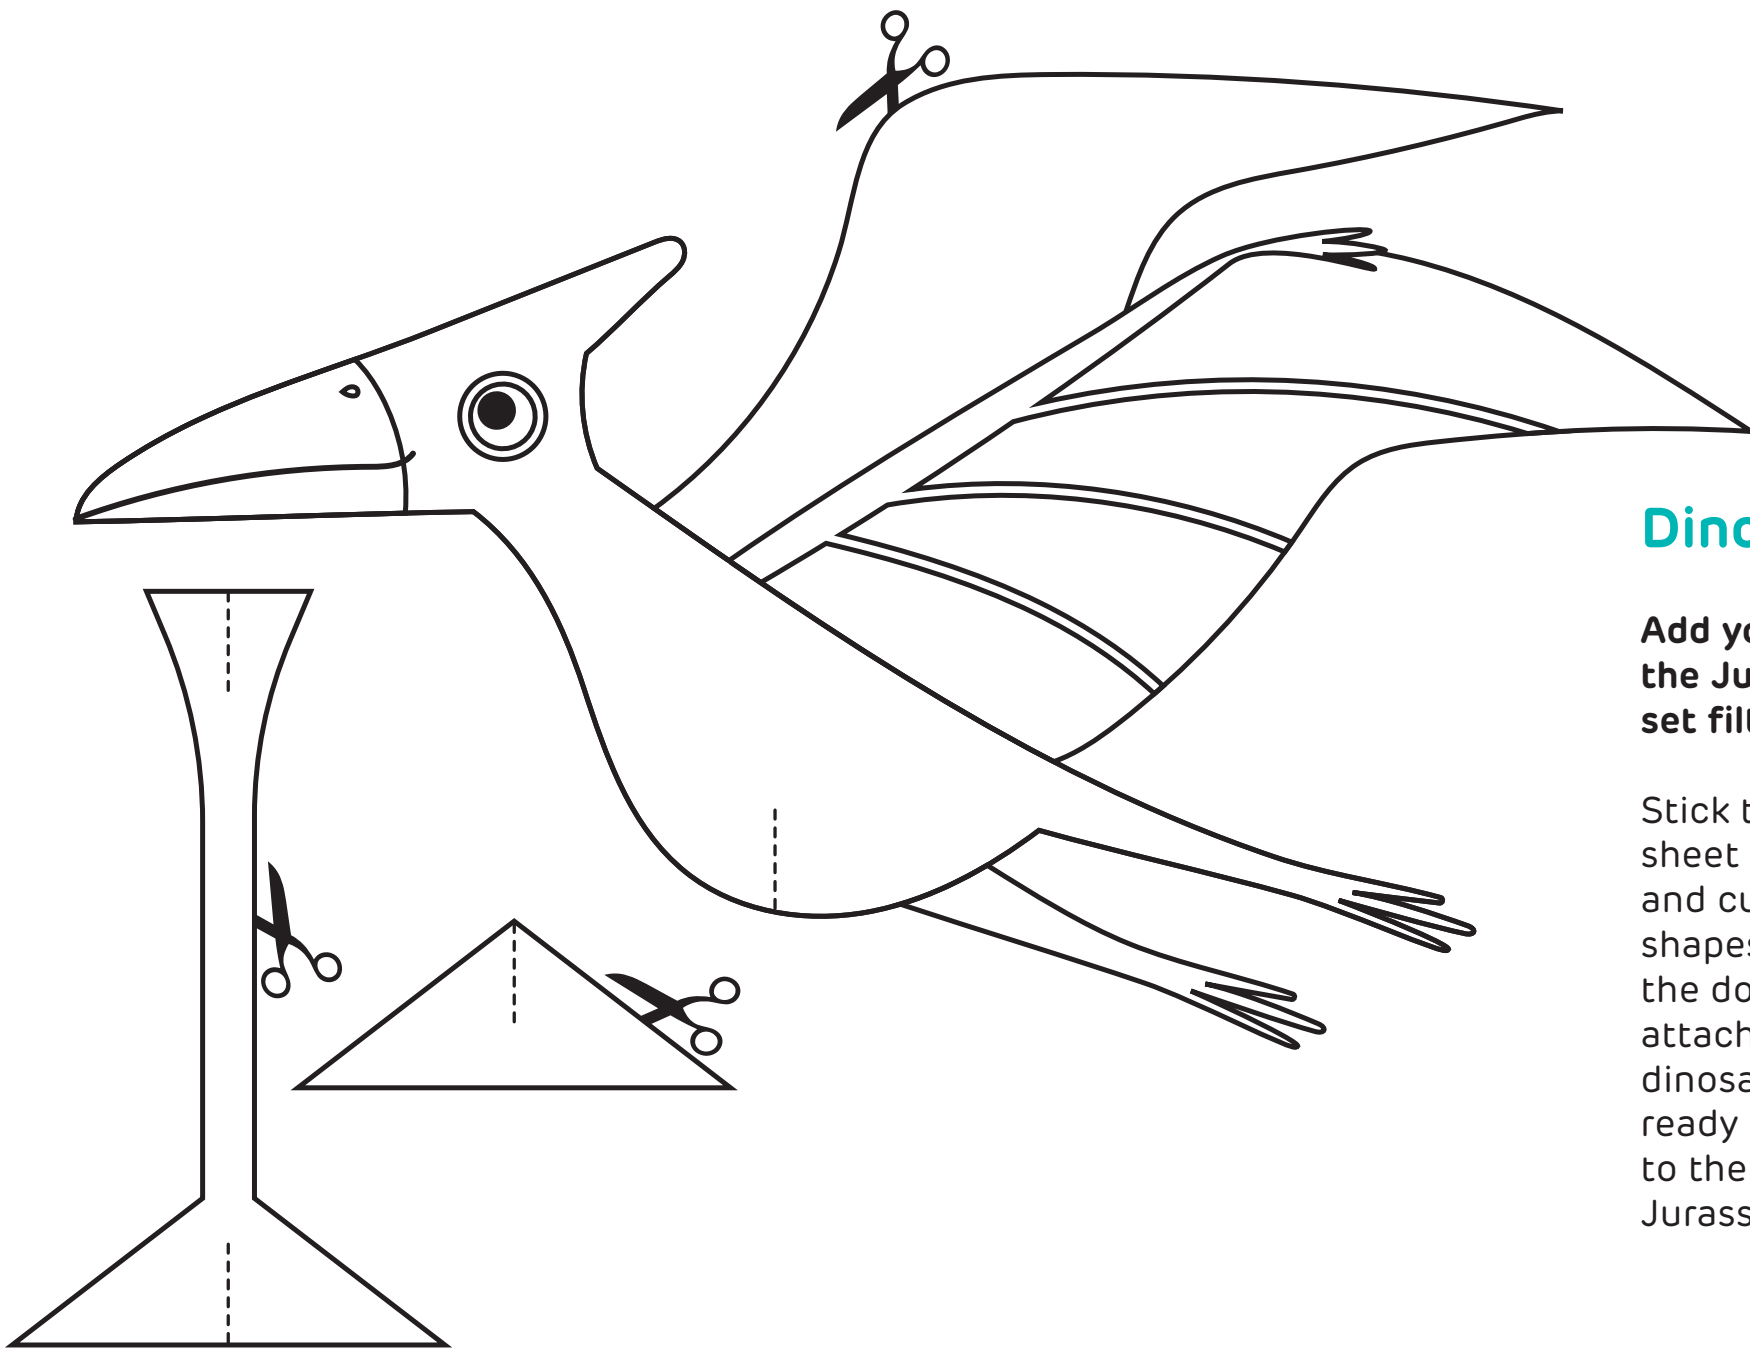

Dinosaurs

Add your dinosaur in the Jurassic AR film set filter.

Stick this page to a sheet of card. Colour in and cut out all the shapes. Then cut along the dotted lines to attach the legs to the dinosaurs. Now they're ready to be introduced to the rest of the Jurassic gang.

Binoculars

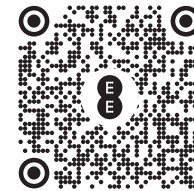

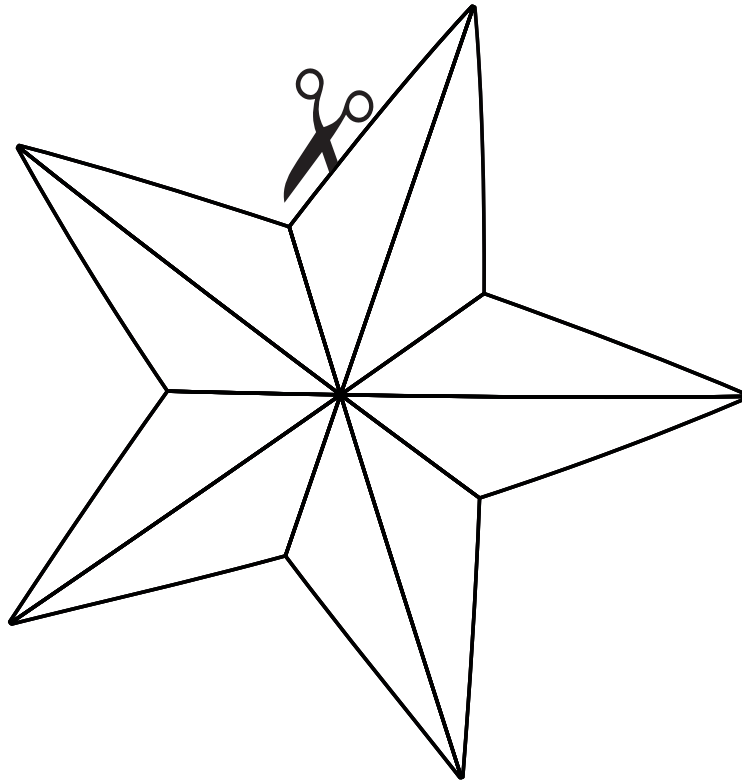

Use your binoculars in the Jurassic AR film set filter.

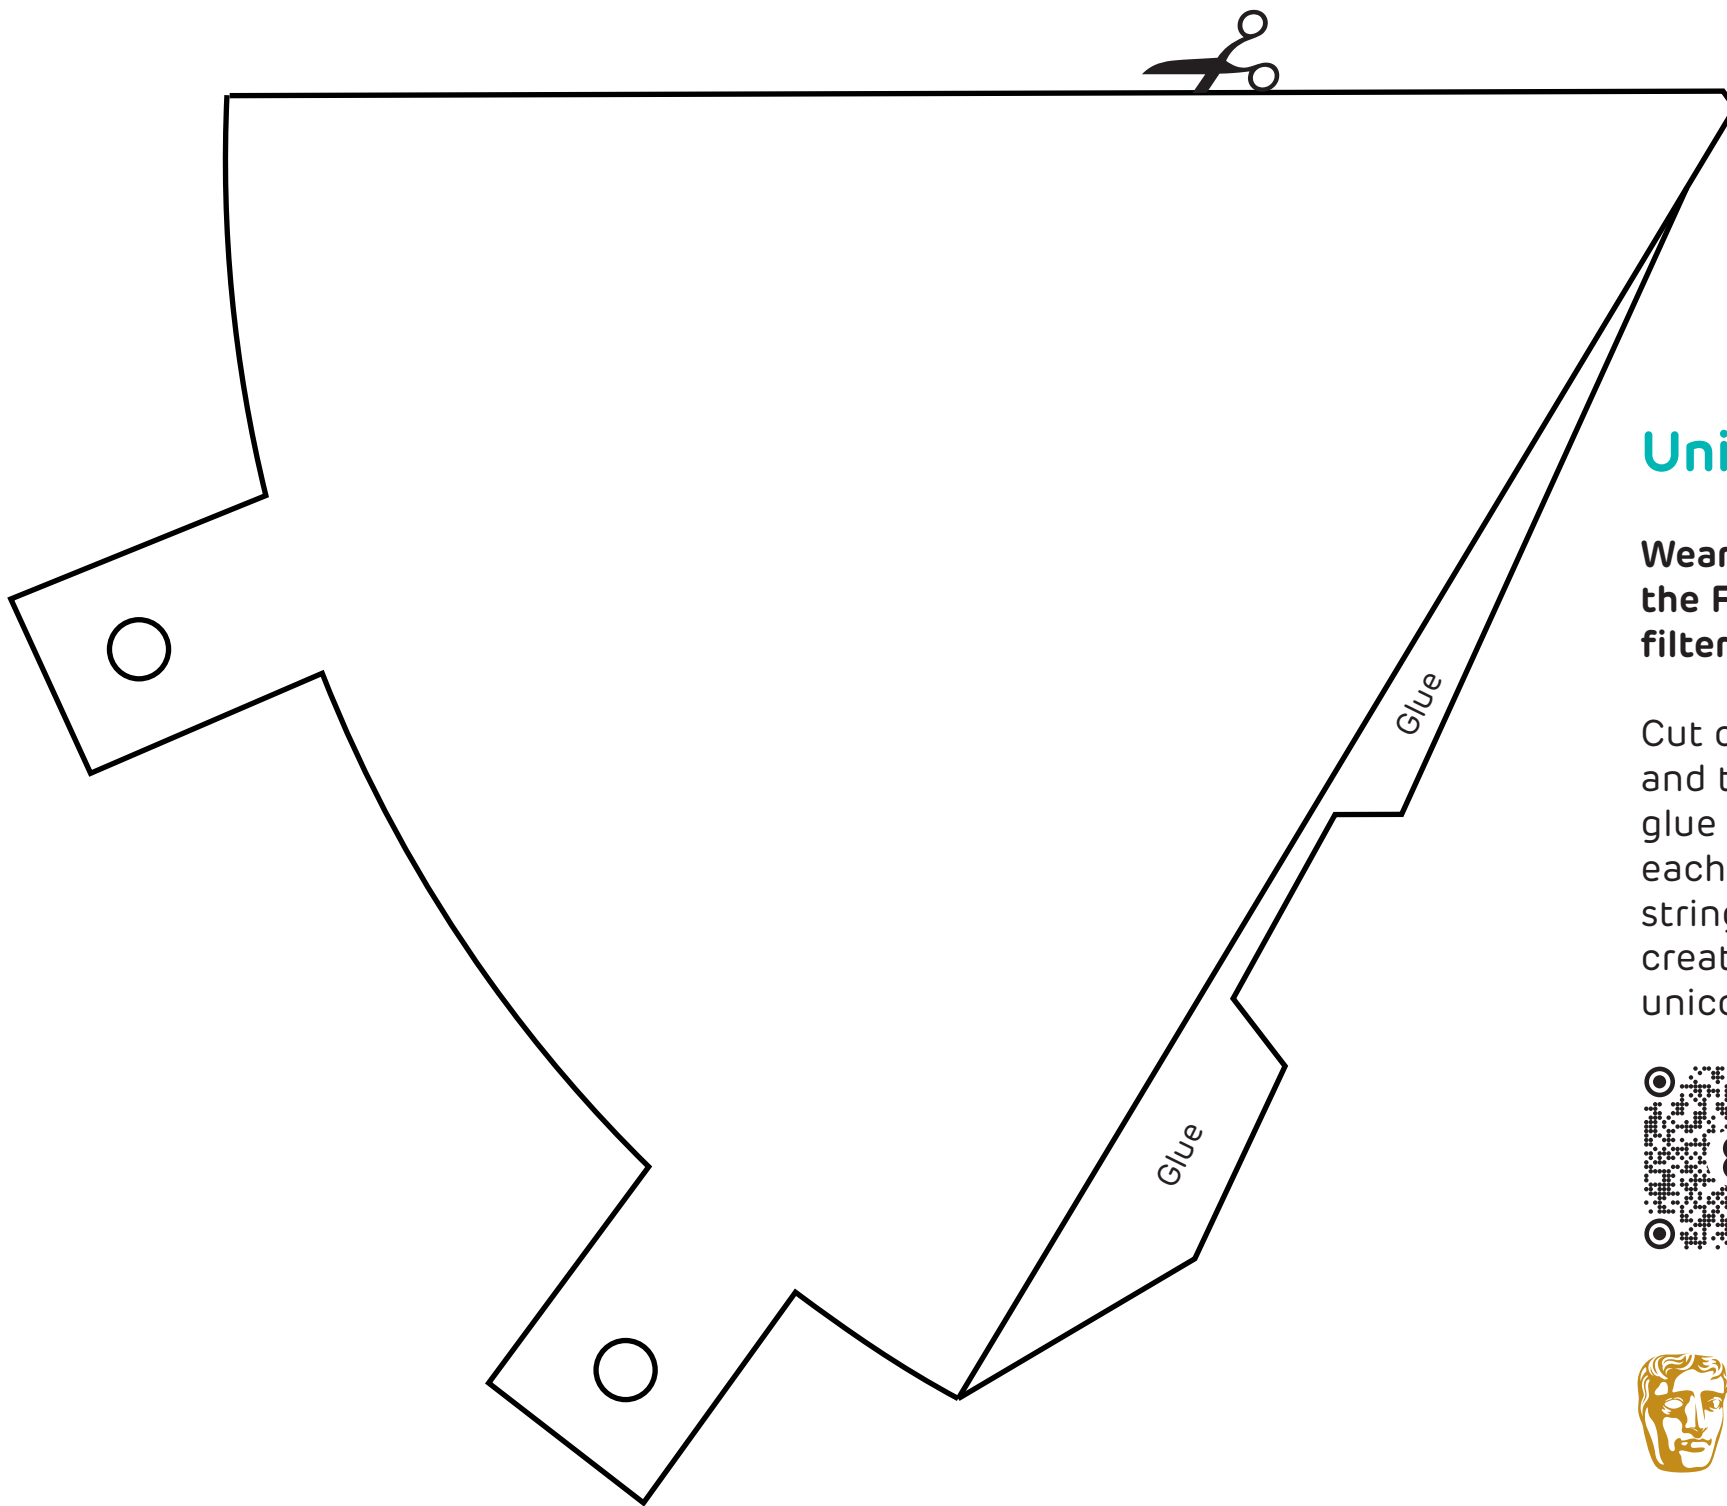

Colour in and cut around the sheet, then wrap around two toilet roll tubes to create your very own pair of explorer binoculars! Use these to spot the magic egg.

Magic Wand

Use your magic wand in the Fantasy AR film set filter.

Colour in and cut out the star and attached to the top of a straw to create your magic wand. Then join the faires to cast some spells!

Unicorn Horn

Wear your unicorn horn in the Fantasy AR film set filter.

Cut out the shape, roll up, and then glue along the glue tab. Finally attach each end of a piece of string to the holes to create your own magical unicorn horn.
