

SCI-FI

The Scenario

You're the captain in charge of a space expedition on a journey to discover new life in space. You and your crew suddenly see an undiscovered planet hurtling towards your spaceship and it looks like it's going to collide... what are you going to do?

Need a little help getting started?
Here's a script you can use:

Captain: How are we doing, space explorers?

Crew Mate: Yes captain! We've reached zero gravity and approaching top speed!

Captain: Copy that. Wow! Look at that planet in the distance...it's moving at the speed of light!

Crew Mate: It's getting closer. A bit too close. I think we might crash!

Captain: Houston, we have a problem! Call mission control.

Crew Mate: We have a CODE RED!

FANTASY

The Scenario

You're in an enchanted forest and there are all kinds of magical creatures all around you...But you're a bit lost. You're trying to find your way to the Fairy Queen who will grant you a wish...but you don't know which way to go until you see a very wise-looking unicorn...

**Need a little help getting started?
Here's a script you can use:**

Character one: Wow! This enchanted forest is so beautiful!

Character two: And it's full of amazing magical creatures.

Character one: Look...a fairy! It's got wings and everything.

Character two: There's a unicorn too...I bet they know everything about this enchanted forest.

Character one: Maybe it could take us to the castle where the Fairy queen lives. She can grant us a wish...

Character two: Great idea! Let's say hello.

ACTION

The Scenario

You're a superhero and it's your job to keep London safe. You stumble across your arch nemesis who wants to destroy the city. You're going to have to use your superpowers to bring them down and keep everyone in the city safe...

Need a little help getting started?

Here's a script you can use:

Superhero: Hey! Stop right there [villain name]

Villain: Well well well, look who it is.

Superhero: Yes, it's me [superhero name]!
I've come to stop you from
destroying the city.

Villain: Oh yeah? How are you going to do that?

Superhero: With my superpowers, of course!
You're no match for me. Check this out! [choose your superpower and act it out here!]

JURASSIC

The Scenario

You're an explorer on an expedition to find a never-before-seen dinosaur with your partner. As you make your way through the undergrowth, you hear a roar and the sound of thudding footsteps getting closer. If you can catch a glimpse of this creature through your binoculars, you'll be famous. But it's very dangerous! Do you stay and wait or run to safety?

**Need a little help getting started?
Here's a script you can use:**

Explorer 1: We're getting closer to finding that rare dinosaur. I can feel it.

Explorer 2: Yes! And look, there are footprints in the soil...let's follow them.

Explorer 1: [Looking at each other, scared] You heard that too, didn't you?

Explorer 2: Yes...and it's getting closer!

Explorer 1: We need to see it in the flesh so we can tell everyone about our new discovery! But it could be very dangerous. What should we do?

Explorer 2: Follow my lead! If you keep quiet and tread carefully, we'll be alright!
