## Introduction

Welcome to Mobile Phone and Tablet Insurance from EE. These terms and conditions contain everything You need to know about Your insurance and how it works. This document and the Confirmation of Your Insurance Cover form Your contract with the Insurer, please read both to make sure the cover provided and the terms and conditions meet Your needs. You should keep both documents together in a safe place.

In this document We have given some words and phrases a specific meaning, they are listed in "What words mean" and will always mean the same thing wherever they appear beginning with a capital letter. For example: Mobile Phone.

This insurance is provided on the understanding that You will take care of Your Mobile Phone or Tablet. Having insurance does not mean You can take risks with Your Mobile Phone or Tablet that You would not take if they were not insured. For example: leaving Your Mobile Phone or Tablet on display where You cannot see it but other people can.

The Insurer will insure Your Mobile Phone or Tablet subject to these terms and conditions for the Period of Cover and while You continue to pay the monthly premium through the bill for Your Service Plan.

## Important things to know

- The purchase of insurance and protection is not a requirement of Your Service Plan.
- Mobile Phone and Tablet insurance is only available if You are 18 years of age or older.
- A monthly premium will be charged to the bill for Your Service Plan and includes any insurance taxes.
- This insurance has a minimum term of three months from the Start Date. You can cancel this insurance within 14 days of receiving these terms and conditions with no extra cost. If You cancel this insurance after 14 days and within the minimum term, You will be required to pay the monthly premiums due for the first three months. After the minimum term has ended You can cancel this insurance at any time.
- We rely on the information You provide to Us in writing or over the phone to make decisions about Your insurance and any claim. If You do not answer accurately and completely any questions We ask, We might invalidate Your insurance and/or We might reject Your claim.
- These terms and conditions apply only to the Mobile Phone or Tablet supplied to You by EE (or replaced by Us after a successful claim) and connected by a SIM card to Your Service Plan and the phone number shown on Your Confirmation of Your Insurance Cover.
- This insurance will end if you upgrade Your Mobile Phone or Tablet. If You change Your Service Plan, You must call EE customer services to check Your insurance is still in place.
- This insurance allows You to authorise someone You know to use Your Mobile Phone or Tablet. You must make any Authorised User aware of the terms and conditions of this insurance.
- After the three month minimum term this insurance will continue for a maximum of 57 months unless You or the Insurer cancel it earlier, therefore, You should check from time to time to make sure the insurance continues to meet Your needs.
