

BRITBOX WITH INCLUSIVE DATA STREAMING

ADD-ON TERMS

Version 2
Date 19 August 2020

The Offer & Eligibility

1. The offer (the "**offer**") comprises:
 - a. six months' access (the "**offer period**") to BritBox (currently £5.99/month value) ("**BritBox**"), which provides you with access to a selection of popular on demand British content (the "**content**"); and
 - b. six months' data to stream the **BritBox** content on your EE device, in accordance with these terms and conditions.
2. The **offer** is available to new and existing consumer 4G and 5G Customers on a pay monthly phone, 12 month SIM only plan or with a tablet on a 4GEE WiFi price plan who are UK residents and have not previously benefited from the **offer**. Please note customers on our Small Business 4GEE, Smart Watch, SME and Business Connect plans are not eligible for the **offer**.
3. If you have an existing **BritBox** account you can take the **BritBox** Add-on by cancelling your existing **BritBox** subscription. When you sign up with EE for the **BritBox** Add-on, **BritBox** will switch the billing of your existing subscription over to an EE billed account (unless you subscribed via iTunes in which case you will need to cancel your own subscription). Note you will lose any existing prepaid access and current discounts. We therefore recommend you take the **offer** with EE towards the end of your current **BritBox** billing period and any Britbox offer period. Alternatively, you could take the **BritBox** Add-on as an additional **BritBox** subscription (in which case you must register using a secondary email address and your existing BritBox account will continue and will be charged until you cancel it).
4. During the **offer period**, data used whilst streaming the **content** on the BritBox app on your EE device in countries covered by your Plan allowance will not decrement from your EE Price Plan's inclusive data allowance, save that if you do not have any data remaining from your Price Plan's data allowance, you will be unable to watch the **content** or use any of the connected features using mobile data. You may still be able to watch the **content** on your EE device using Wifi or by purchasing a data add-on. Note that all activities other than live streaming or watching the **content** on the BritBox app, such as viewing advertising and live streaming or watching content on the BritBox website, will decrement from your plan's data allowance.
5. Availability is subject to credit status.
6. If we accept your request to transfer your EE account to a new person, they will not be entitled to benefit from this **offer**.
7. The **offer** is only available to customers using a compatible mobile phone or tablet using the iOS or Android operating systems. See britbox.co.uk for compatible devices.
8. The **offer** is not available to customers on a 4GEE WiFi Price Plan with a device other than a tablet, or customers with a device using any operating system other than iOS or Android.
9. <https://ee.co.uk/help/help-new/terms-and-conditions> After six months, you will be charged the standard monthly price for an individual **BritBox** subscription (currently £5.99 (inc VAT) a month) unless you choose to cancel. We'll apply the charge to your EE Account each month until you ask us to remove it. You can cancel the **BritBox** add-on at any time. The service will be removed at your next renewal date, which is on the monthly anniversary of the addon being added. If at the time of cancellation you have not already been billed for that period it will be charged in full on your next bill. As soon

as the **BritBox** add-on is removed from your account, you will no longer be able to access **BritBox**.

10. Access to **BritBox** is available on your EE device using your mobile data or over WiFi. After six months, if you use data when using **BritBox**, your EE Price Plan's inclusive data allowance will decrement. Your data allowances will also decrement when downloading the App.
11. You may also access your **BritBox** account via other compatible equipment. See britbox.co.uk for compatible equipment, which may change from time to time. If you are using **BritBox** on a non-EE mobile device, data charges from your mobile provider may apply.

13. You must remain eligible throughout the **offer period** to continue to receive it.
14. **BritBox** is provided to you as an Additional Service and does not form part of your Price Plan with us. This Additional Service can be added to each eligible line on your Account. We may refer to the Additional Service as an 'add-on' in MyEE, on your bill, online and when you call or text customer services. You cannot have more than one **BritBox** add-on per eligible line registered to your Account.
15. Any change to the cost of the Additional Service, to the Content provided, or to the terms and conditions shall, if applicable, only entitle you to cancel the Additional Service. Such changes shall not entitle you to cancel your Agreement with us for mobile network services.
16. If you choose to cancel **BritBox**, for whatever reason, or if we have to remove it from your account because you've failed to comply with these terms and conditions or the **BritBox** Terms and Conditions, you'll forfeit the opportunity to add this add-on, or any standalone access to **BritBox** to your Account again for any **offer period**.
17. When entering into a contract for digital content you're entitled to a 14 day cooling off period, except where you enter in to a contract in store. Once you've entered into a contract for these Additional Services, you'll have 14 days to tell us you've changed your mind. However, once you've accessed **BritBox** (e.g. by viewing the **content**) we'll assume that you've decided to waive this right to change your mind and you'll lose your right to cancel, except in accordance with the cancellation process described above.
