Version 03

Date 27th June 2019

Terms and Conditions.

The legal terms You need to know about Your fixed line telephone and internet service. Version 03 dated 27th June 2019.

Here's a brief summary of some key points which We'd like to draw to Your attention. They're a useful guide to the Agreement, but aren't part of it. You should still refer to the terms and conditions below.

1. Our Network.

You can use Our Network to make and receive calls and use the internet through Our Broadband Services. If You have fibre Broadband Services, you can access the internet at even faster speeds. We will try to provide a high-quality Network to You at all times. However, We cannot guarantee that We will always be able to provide the Services due to reasons associated with wholesale supplier processes, technical limitations in fixed networks and physical/geographical limitations. You should check whether you live in a Service Availability Area on Our Website before buying the Services. The availability and quality of the Services are affected by a number of things such as the number of people using the Network and Your location (see point 2.2 of the terms and conditions).

2. Minimum Term.

You will have to agree to stay with Us for a minimum period of time which We call the Minimum Term. This Minimum Term will be agreed with You and You will have to pay a regular monthly charge for this which We call the Price Plan Charge. You can find details of Your Price Plan Charge, Charges for Additional Services and all other Charges in Our Price Guide which can be found on Our Website.

3. Renewals.

We want Our customers to stay with Us, but we don't have to provide You with a Renewal. If You accept a Renewal then a new Minimum Term will be agreed with You and you will have to pay the Price Plan Charge for the rest of the new Minimum Term (see point 2.10 of these terms and conditions.)

4. Changing the Terms and Charges.

We may change these terms and conditions or the Services or Equipment. If We do, We'll give you Written Notice when We can before the change takes effect (see point 2.15 of the terms and conditions). You agree that We can make these changes without obtaining Your express consent to vary the Agreement providing we comply with the procedure in point 2.16. We may also increase or decrease Our Charges. Some Charges increases may give You the right to leave the Agreement without paying a Cancellation Charge (see point 9.4 of the terms and conditions).

5. Ending the Agreement.

You can call Us and give 14 days' notice to end the Agreement. If You are moving to another provider, some providers will notify us that You are leaving Us and Your Agreement will end on the date Your services transfer to the other provider. Unless we tell You otherwise, You will have to pay a charge for ending the Agreement early (before the end of the Minimum Term) which We call the Cancellation Charge. The Cancellation Charge is the total of the Price Plan Charges for the remainder of the Minimum Term, less any discount You are entitled to (see points 9.1 to 9.3 of the terms and conditions).

6. Breaking the Agreement.

There are instances in which, because of something You do or do not do, We can Suspend or Disconnect You from the Services and/or end this Agreement. You may have to pay Us a Cancellation Charge as a result. (See points 4.4 and 7 of the terms and conditions.)

7. Equipment.

We remain the legal owner of any Equipment we provide to enable You to access the Services. You will always be required to return any Equipment received once this Agreement ends or is cancelled for any reason and may have to cover the cost of the return (see points 2.3 to 2.7, and 3.9 of the terms and conditions).

8. Billing.

We will make a bill available to You each month. This will be provided you to electronically. You will need to pay it by the date set out on it to ensure continued access to the Service (see point 5 of the terms and conditions.)

9. Credit Limits.

We can set and change credit limits for Charges. If You go over Your credit limit, Your Service may be Suspended (see point 2.15 of the terms and conditions.)

10. Our liability to You.

There are certain circumstances in which Our liability to You is limited or excluded (see point 6 of the terms and conditions.)

11. Your Information.

You and anyone who you buy the Services for agree that We, our Group Companies and Our service providers can use information about You including information about Your use of Our Network, Services and related products and the Address to tell You about Our products and services and third party products and services that may be of interest to You. You can ask us to stop sending You direct marketing at any time (see point 11.4 of the terms and conditions). Please refer to Our privacy policy on Our Website for full details on how We process your personal information.

12. These key points.

Remember that We've set out some of the key points of the Agreement between You and Us. They aren't a substitute for what the main Agreement says, and if there's a clash between what the main Agreement and what these key points say, then what the Agreement says is right.

If You would prefer the terms and conditions in large print, on disk, or in braille, please call Our customer services team, whose details can be found on Our Website.

2. Our Agreement

- 2.1. This Agreement starts on the Start Date, at which point We will have accepted Your request for the Services, which will be after:
 - 2.1.1. You pass any credit check;
 - 2.1.2. You pay Us any deposit that We request;
 - 2.1.3. We perform a check on whether Your Address is in a Service Availability Area;
 - 2.1.4. We check the Broadband Speed You might receive; and
 - 2.1.5. We inform You of Your Minimum Guaranteed Line Access Speeds.
- 2.2. Your Transmission Speed will be affected by (but not limited to) the following: the operational and technical characteristics of Your Line and Your distance from the exchange; Your Address location; any change You make or deterioration in the Equipment; whether You have fibre Broadband Services; the time of day at which You use the internet; and Our traffic management policies which can be found on Our Website (see also points 4.5 and 4.6).
- 2.3. You may cancel this Agreement without having to pay the Cancellation Charge by calling Customer Support at any time up to the Activation Date. If You join through a distance sales channel (such as through telesales or online), You are also entitled to a cooling off period during which you may cancel your Agreement. This will start from the day after the Activation Date and will end 14 days later. If You choose to exercise Your right to cancel within the 14 days, please remember You are responsible for the cost of returning the Equipment to us. We will refund You any amounts You have already paid for the Equipment. We may make a deduction from Your refund for the loss in any value of the Equipment where that loss is caused by any unnecessary handling by You. This could include unnecessary use of the router. You may be charged the Plan Price Charge and charges for Additional Services during the time You had the Equipment and/or use of the Price Plan. These charges will be calculated on a pro-rata basis.
- 2.4. The Minimum Term starts on the Activation Date. Any cancellation after the timeframes set out in point 2.3, and before the end of the Minimum Term, will incur the Cancellation Charge (except as set out in points 2.6 and 9.4).
- 2.5. At the end of the Minimum Term this Agreement will continue until terminated.
- 2.6. If We reject Your request for Service(s) for any reason then We will tell You. If We reject Your request but Your Phone Service has already been installed and You incur call Charges, You will have to pay those call Charges. You will not have to pay the New Line Charge, or any New Fibre Connection Charge or the Cancellation Charge. Where Equipment has been provided to You, then You will need to return that Equipment to Us within 30 days. If You do not return the Equipment We reserve the right to charge You a reasonable amount for the replacement cost of the Equipment as set out in Our Price Guide.
- 2.7. Subject to point 2.3 above, if You cancel the Services or We are unable to provide them because of something You did, and We have already installed Your New Line or New Fibre Connection, We may charge You (or if already paid, not to refund You) the New Line Charge or New Fibre Connection Charge, or part of it, where We have reasonably incurred costs relating to the New Line or New Fibre Connection, including any calls Charges made on the Phone Service. We may also charge you the Cancellation Charge. If Equipment has been provided, You will also have to return the Equipment in accordance with point 2.6 above.
- 2.8. You agree that We will begin arranging for the provision of the Services from the Start Date, but You won't actually start receiving the Phone Services until the Activation Date. After the Activation Date We will enable the Broadband Services:
 - 2.8.1. if an engineer is required, on the date of the engineer visit as agreed with You; or
 - 2.8.2. if no engineer is required, on a date notified to You when You request the Services.
- 2.9. There may be unexpected delays in Your Activation Date due to factors over which We have no control, for example, where inclement weather renders it hazardous to the health and safety of an engineer to attend a scheduled appointment. In a situation where the delay is a matter beyond Our reasonable

control and where We've acted with the reasonable skill and care of a competent telecommunications provider, You will not be entitled to a discount, as described at point 4.3 below, except where the delay causes You significant inconvenience.

- 2.10. If You are Renewing, a new Minimum Term may apply but We will get Your express consent first. Your new Minimum Term will start from the date We provide You Written Notice that Your new service has been activated. We don't have to provide You with a Renewal and We don't have to allow You to change Price Plan.
- 2.11. If you Upgrade through a distance sales channel (such as through telesales or online), You are also entitled to a cooling off period during which you may cancel your Agreement. This will start from the day after your new Services are activated and will end 14 days later. If You choose to exercise Your right to cancel within the 14 days, please remember You are responsible for the cost of returning the Equipment to us. We will refund You any amounts You have already paid for the Equipment. We may make a deduction from Your refund for the loss in any value of the Equipment where that loss is caused by any unnecessary handling by You. This could include unnecessary use of the router. You may be charged the Plan Price Charge and charges for Additional Services during the time You had the Equipment and/or use of the Price Plan. These charges will be calculated on a pro-rata basis.
- 2.12. If We agree to allow You to Upgrade before the end of the current Minimum Term and you subsequently decide to cancel your Upgrade within the cooling-off period (as set out in 2.11 above) we will put you back on your original Price Plan at the same point in Your previous Minimum Term. You may need a New Line to receive the Services and to pay the New Line Charge. You may need a New Fibre Connection to receive fibre Broadband Services and will need to pay a New Fibre Connection Charge. We will tell You before the Start Date if you need a New Line or New Fibre Connection and what the Charge for this is.
- 2.13. If You require an Additional Line, Your obligations to Us regarding the installation of and Charges relating to the Additional Line will start on the Start Date for that Additional Line. Any Additional Line that You request will be added to Your Account and You may have to pay a New Line Charge. Each Additional Line may include Services for example Phone Services which have their own Minimum Term and Plan Terms. So, the Minimum Term for all Your Services might not be the same. You cannot have more than one Broadband Service at the Address.
- 2.14. If You want to receive Your existing Services at a new address, please call Customer Support and check that Your new address is in a Service Availability Area. We do not have to accept Your request. If We accept Your request to relocate the Services, and You need a New Line or New Fibre Connection at your new address, We will terminate Your current Services and You will need to reconnect those Services and commit to a new Minimum Term and pay the New Line Charge and/or the New Fibre Connection Charge. We will get your express consent before we do this. Please see Our Price Guide for all moving administration and set-up costs.
- 2.15. We may set and change credit limits for all Charges. We can Suspend Your access to the Services if Your limit is exceeded, but note that charges are not capped at any limit.
- 2.16. **Changes to Our Agreement**
 - 2.16.1. We will make a copy of Our current version of these terms and conditions available on Our Website. We can change the terms of this Agreement. For instance if We want all customers on the same conditions; it is necessary to make administrative changes to Our registered name, address or contact details; or where any (or any part of) the Services, Content or Equipment is withdrawn or changed by Us or third party providers. We will tell You about the change beforehand, explained as follows:
 - 2.16.1.1. if the change of terms and conditions is not of material detriment to You, We will send You Written Notice 30 days before the terms and conditions are due to change. The new terms and conditions will automatically apply to You once that notice has run out;
 - 2.16.1.2. if the change is of material detriment to You, We will send You Written Notice 30 days before the terms and conditions are due to change. The new terms and conditions will apply to You once that notice has run out, unless You terminate this Agreement with Us within that notice period. If You do this You won't have to pay any Cancellation Charge that would otherwise apply, see point 9.4.3; or

2.16.1.3. we can change these terms and conditions if new laws or rules make it necessary or where We are required to do so by OFCOM or any other regulatory body. We will endeavour to give You 30 days' Written Notice if We have to do this. The new terms and conditions will automatically apply to You once any notice period that We are able to give You has run out.

 - 3.5. Our engineers will need to access the Address and carry out the installation of the New Line, or complete any construction required to install fibre Broadband Services. You will also need to ensure the Address is free from any obstacles which may prevent installation. We may charge You for an engineer visit as set out in the Price Guide if:
 - 3.5.1. You cancel the visit for a New Line installation and don't give Us at least 48 hours' notice;

- 3.6. We may not be able to install fibre Broadband Services where extensive construction is needed. If Our engineer determines that the installation will require extensive construction or modification, We may cancel Your request for Services and refund any Charges. If We can't install fibre Broadband Services We may, at Our discretion, offer You ADSL Broadband Services instead.

5. Charges

- 5.1. We will make the bill for Your Account available to You every month by electronic means (either by email or through Your online Account) and We'll take payment by Direct Debit. You must pay Your bill by the date set out on it, whether or not Your Allowance is consumed by, or the Services are used by You or by another person, with or without Your permission. Remember, our contract under this Agreement is with You, and not with other people who may live or work at the Address. If You haven't used all of the Allowance by the time We bill You, it will expire and Your Allowance will then start again on each monthly bill date. On Your bill, We may include the "per Unit" cost for Your Allowance to help You understand the value You're getting from Your Price Plan. Additional Services may be charged in arrears or in advance, as set out in Our Price Guide. Other Charges are for the month just passed and any earlier time if not previously charged for.
- 5.2. The Price Plan Charge will apply from the date the Broadband Service is activated on the Line. You will need to pay the Charges in accordance with the Price Guide.
- 5.3. Any recurring discount on a Price Plan Charge or an Additional Charge We give you will end on the earlier of one of the following events:
 - 5.3.1. when the period for which the discount was advertised comes to an end (e.g. a discount for the first 6 months of Your Price Plan only); or
 - 5.3.2. when Your Minimum Term comes to an end; or

- 5.3.3. when We provide You with a Renewal or Upgrade; or
- 5.3.4. where You have a Price Plan Charge discount because You have another agreement with Us, for example a pay monthly mobile agreement, then You terminate either this Agreement or the agreement for that other service .
- 5.4. For Consumers, all Our Charges are inclusive of VAT. If You are not a Consumer, VAT will be added to all invoices at the relevant rate where applicable.
- 5.5. If the payment fails or is late, We will charge You the late payment Charge set out in the Price Guide. We won't ask You to pay this Charge if You make a part payment as described in point 5.6.2 below. You will also have to pay the reasonable costs (including debt collection agency costs) of collecting any late payment from You.
- 5.6. If You don't pay a bill by the date set out on it You will have broken an important condition which is a fundamental part of this Agreement between You and Us and this will entitle Us to Suspend and/or Disconnect in full or in part any of the Services and/or terminate this Agreement immediately. We may also charge You a Cancellation Charge except where:
- 5.6.1. You have a genuine dispute with Us; and
- 5.6.2. before the date by which Your bill must be paid, You have given Us Written Notice setting out the details of Your dispute, including the amount of Your claim against Us and the amount You intend to withhold as disputed. If the amount You intend to withhold is less than the total amount You owe Us then You must pay the difference by the date set out on the bill. If You don't, then We can terminate this Agreement immediately. Your right to withhold payment will end once We revert back to You with a response, which will be reasonable and take into account all relevant law, regulation and circumstances. You may have the right to take Your complaint to the Ombudsman Services dispute resolution scheme.
- 5.7. Our rights set out in here are in addition to any other legal rights We may have against You.
- 5.8. You may have to pay additional Charges, the amount of which is set out in Our Price Guide, for example: the Separate Payment Handling Charge or the Charge to reconnect You to the Services (see point 7.9).
- 5.9. You are responsible for all Charges applied to Your Account, including all call charges made from the Phone Service.
- 5.10. We can change Payment Terms for any good reason, for instance, if You do not pay a bill by the date set out on it. We may not be able to tell You before We do.
- 5.11. You shall be required to pay a deposit (or an extra deposit) as security for the Charges if We have a good reason to require it, for example, if We raise Your credit limit. This may be payable before the Start Date or during the course of this Agreement. We can keep the deposit until the Agreement ends. We will return it when You pay Us everything You owe. We will not pay interest on deposits. We can use Your deposit to pay what You owe except where You have followed the process for disputed Charges outlined at point 5.6.2 above. If You don't pay the undisputed amount by the date of Your bill or tell Us not to use any deposit to pay the disputed amount, then We will use any deposit or any credit on Your Account to pay the disputed sum.
- 5.12. Charges for calls on the Phone Service to numbers outside of those permitted in Your Allowance, such as premium rate numbers, are set out in the Price Guide. We may charge You for additional data You use above the data included in Your Allowance, or move You to a higher Price Plan in accordance with point 4.7. These Charges are also set out in the Price Guide.
- 5.13. We may use credit reference agencies to help Us make credit decisions or for fraud protection. You agree that We may register information about You and the conduct of Your Account with any credit reference agency or CIFAS (the UK's fraud prevention service). For the purpose of fraud prevention and credit management, information about You and the conduct of Your Account may be disclosed to financial institutions and other companies. Such information may also be passed to debt collection agencies for debt collection purposes. Sometimes if there is insufficient information to enable Us to make a credit decision, We, and Our credit reference agencies, may also use information about other people financially linked to You (such as spouses, partners, family members, household members).

6. Our Liability To You

- 6.1. We are only liable to You as set out in this Agreement. We have no other duty or liability to You.
- 6.2. Nothing in this Agreement removes or limits Our liability for death or personal injury caused by something We have done or failed to do or for any fraudulent misrepresentation We may have made to You.
- 6.3. Except as set out in points 6.1 and 6.2, Our total liability to You for something We or anyone who works for Us does or does not do will be limited to £10,000 for all incidents under this Agreement.
- 6.4. If You are not a Consumer, We are not liable to You in any way for any loss or damage that was not reasonably foreseeable at the time You entered this Agreement. This includes but is not limited to loss of income; business; anticipated savings (meaning costs You expected to avoid by Using the Services) or anticipated profits, loss of property or loss of use of property.
- 6.5. If You are a Consumer, We are not liable to You in any way for any loss of income; business or profits; or for any loss or damage that was not reasonably foreseeable at the time You entered this Agreement.
- 6.6. You must tell Us about any claim as soon as reasonably possible.
- 6.7. We will not be liable to You if We cannot carry out Our duties or provide Services because of something beyond Our control.
- 6.8. We will not be responsible for any harm You suffer from a Virus program which infiltrates any device You use with the Services, if it was transmitted via the Services or otherwise. You remain responsible for all Charges applied to Your accounts for the use of any Services activated by such a Virus.
- 6.9. This point 6 will apply even after this Agreement has been terminated.
- 6.10. We accept responsibility for physical damage to or loss of property which directly results from Our breach of contract or negligence up to an aggregate of £100,000. This aggregate limit shall apply to all Services You have with Us.

 - 7.1.3. We reasonably believe there is fraudulent use of a payment card in relation to Your Account.

- 7.3.4. any step is taken to make any kind of arrangement that would compromise Your liability to pay Your debts and/or if You are an individual and You are unable to pay Your debts or if any step is taken to make You bankrupt; and/or if You are a company or other organisation and You become unable to pay Your debts (within the meaning of section 123 of the Insolvency Act 1986) or any step is taken to appoint an administrator, liquidator (for a reason other than solvent reorganisation), or receiver over You or any of Your assets. We can also terminate this Agreement if something similar (in any country) happens or if We think any of these things may happen; or
- 7.3.5. We reasonably suspect fraudulent use of the Network and/or Services based on any and all data available to Us.
- 7.4. If We terminate this Agreement for any reason given under points 7.2 or 7.3, You must pay Us everything that You owe, including any Cancellation Charge.
- 7.5. We can terminate this Agreement if any licence of Ours (or any supplier such as BT) to run the Network is ended. However, as described in point 9.4.1, You won't have to pay a Cancellation Charge.
- 7.6. You are liable for all Charges during any period of Suspension or Disconnection unless we decide otherwise.
- 7.7. If your Line is Disconnected for any reason, You will automatically lose Your connection to all Services.
- 7.8. The rights that We have under this point 7 are in addition to the other rights that We have to Suspend and/or Disconnect the Services and/or terminate this Agreement as set out in this Agreement. If We reasonably Suspend or Disconnect the Services because of something You did or didn't do, and the Services are Suspended or Disconnected for more than 60 days, You may have to pass a credit check to reconnect the Services.
- 7.9. Following a period of Suspension or Disconnection, We can charge to reconnect You to the Services except where something in point 7.1.1 happened. We can change Your Payment Terms as a condition of reconnection.

8. **Changing Charges & Services**

- 8.1. We can lower any Charge at any time without telling You beforehand, although We will try to tell You if We can.
- 8.2. We can suspend, change, increase the price of or withdraw part or all of the Additional Services on giving active users of the Additional Service a reasonable period of Written Notice. The change will then apply to You once that notice has run out.

9.1. Subject always to point 9.2, You can terminate Your Agreement in one of the following ways:

9.4.1. Our entitlement to operate the Network ends at any time;
