12M Gaming Advertising Disclaimer

Microsoft Long Form Product Disclaimer

12month Xbox Game Pass Ultimate. Cloud Gaming (beta) requires Xbox Game Pass Ultimate, sufficient network speed, and supported controller. Streaming limits apply.

You will receive a code to redeem your 12 months of Xbox Game Pass Ultimate via SMS which will be sent to your device 14 days after selecting and purchasing Xbox Game Pass Ultimate as a bonus. Must redeem at microsoft.com/redeem. Streaming performance is affected by internet connection, data center proximity, device, and other factors. Your gameplay on other devices may be limited. Streamed games may have limited functionality.

NO CREDIT CARD REQUIRED. NO EXPIRATION. Cloud Gaming (beta) for use in UK and selected countries. Redeem at microsoft.com/redeem. Includes Xbox Game Pass for Console, for PC, and Xbox Live Gold. Not supported: Windows 10 in S mode and ARM devices. Maximum 36 months redeemed per account at a time. Game catalog varies over time, by region, and platform. If a game is removed from catalogue, purchased in-game content requires separate game purchase. Requires download(s) (significant storage, broadband, and ISP fees apply) and Microsoft account. Online multiplayer between Xbox console generations not supported in some games. Service, features, and requirements may change or be retired. Subject to Microsoft Services Agreement (microsoft.com/msa). Existing Gold, Game Pass for Console or PC members will be converted to Ultimate using a conversion ratio; conversions are final. Except as required by law, codes are nonrefundable. System requirements and details at xbox.com/gamepass.
