

Terms and conditions.

The legal terms You need to know about Your fixed line telephone and internet service. Version 01 dated October 2012.

Here's a brief summary of some key points which We'd like to draw to Your attention. They're a useful guide to the Agreement, but aren't part of it. You should still refer to the terms and conditions below.

1. Our Network. You can use Our Network to make and receive calls and use the internet through Our Broadband Services. If You have fibre Broadband Services, you can access the internet at even faster speeds. We will try to provide a high-quality Network to You at all times. However, We cannot guarantee that We will always be able to provide the Services. You should check whether you live in a Service Availability Area on Our website. The availability and quality of the Services are affected by a number of things such as the number of people using the Network and Your location. See points 2.2 of the terms and conditions.

2. Minimum Term. You will have to agree to stay with Us for a minimum period of time which We call the Minimum Term. This Minimum Term will be agreed with You and You will have to pay a regular monthly charge for this which We call the Monthly Charge. You can find details of Your Monthly Charge, Charges for Additional Services and all other Charges in Our Price guide which can be found on Our website.

3. Upgrades and Renewals. We want Our customers to stay with Us, but we don't have to provide You with an Upgrade or Renewal. If You accept an Upgrade or Renewal then a new Minimum Term will be agreed with You and you will have to pay the Monthly Charge for the rest of the new Minimum Term. (See point 2.9 of these terms and conditions.)

4. Changing the Terms and Charges. We may change the terms and conditions or the Services. If We do, We'll give you Written Notice when We can before the change takes effect (See point 2.14 of the terms and conditions). We may also increase or decrease Our prices. Some price increases may give You the right to leave the Agreement without paying a Cancellation Charge (See point 9.3 of the terms and conditions).

5. Ending the Agreement. You can phone Us and give 30 days' notice to end the Agreement with effect from the end of (or after) the Minimum Term. You may have to pay a charge for ending the Agreement early which We call the Cancellation Charge. The Cancellation Charge is the total of the Monthly Charges for the remainder of the Minimum Term, less any discount You are entitled to (See points 9.1 and 9.3 of the terms and conditions.)

6. Breaking the Agreement. There are instances in which, because of something You do or do not do, We can suspend or disconnect You from the Services and/or end this Agreement. You may have to pay Us a Cancellation Charge as a result. (See points 4.9 and 10 of the terms and conditions.)

7. Billing. We will make a bill available to You each month. This will be provided to you electronically. You will need to pay it by the date set out on it to ensure continued access to the Service. (See point 5 of the terms and conditions.)

8. Credit Limits. We can set and change credit limits for Charges. If You go over Your credit limit, Your Service may be suspended. (See point 2.13 of the terms and conditions.)

9. Our liability to You. There are certain circumstances in which Our liability to You is limited or excluded. (See point 6 of the terms and conditions.)

10. Your Information. You and anyone who you buy the Equipment for agree that We, our Group Companies and our carefully selected business partners can use information about You including information about Your use of Our Network and Services and related products. We and such parties may also use your Address to tell You about Our products and services and third party offers that may be of interest to You and for research and analytics purposes. You can ask us to stop sending You direct marketing at any time (see point 12.4 of the Agreement).

11. These key points. Remember that We've set out some of the key points of the Agreement between You and Us. They aren't a substitute for what the main Agreement says, and if there's a clash between what the main Agreement and what these key points say, then what the Agreement says is right.

If You would prefer the terms and conditions in large print, on disk, or in braille, please call our customer services team for free on 0844 873 8586 from your EE Phone Service.

2. Our Agreement

- 2.1. This Agreement starts on the Start Date, at which point We will have accepted Your request for the Services, which will be after:
 - 2.1.1. You pass any credit check;
 - 2.1.2. You pay Us any deposit that We request;
 - 2.1.3. We perform a check on whether Your Address is in a Service Availability Area;
 - 2.1.4. We check the Transmission Speed You might receive; and
 - 2.1.5. We inform You of the range of estimated speeds available at Your Address based on lines with similar characteristics.
- 2.2. Your Transmission Speed will be affected by (but not limited to) the following: the operational and technical characteristics of Your Line and Your distance from the exchange; Your Address location; any change You make or deterioration in the Equipment; whether You have fibre Broadband Services; the time of day at which You use the internet; and Our traffic management policies which can be found on Our website (see also point 4.4 and 4.5).
- 2.3. You may cancel this Agreement without having to pay the Cancellation Charge by calling Customer Support at any time up to, and including, 10 days after the Start Date. Any cancellation after this time, and before the end of the Minimum Term, will incur the Cancellation Charge (except as set out in point 2.5 and 9.3).
- 2.4. At the end of the Minimum Term this Agreement will continue until terminated.
- 2.5. If We reject Your request for Service(s) for any reason then We will tell You. If We reject Your request but Your Phone Service has already been installed and You incur call Charges, You will have to pay those call Charges. You will not have to pay the New Line Charge or the Cancellation Charge. Where Equipment has been provided to You, then You will need to return that Equipment to Us within 30 days. If You do not return the Equipment We reserve the right to charge You a reasonable amount for the replacement cost of the Equipment as set out in Our Price Guide.
- 2.6. Subject to point 2.3 above, if You cancel the Services or We are unable to provide them because of something You did, and We have already installed Your New Line, We may charge You (or if already paid, not to refund You) the New Line Charge or part of it where We have reasonably incurred costs relating to the New Line, including any calls Charges made on the Phone Service. We may also charge you the Cancellation Charge. If Equipment has been provided, You will also have to return the Equipment in accordance with point 2.5 above.
- 2.7. You agree that We will begin arranging for the provision of the Services from the Start Date, but You won't actually start receiving the Phone Services until the Activation Date. After the Activation Date We will enable the Broadband Services:
 - 2.7.1. if an engineer is required, on the date of the engineer visit as agreed with You; or
 - 2.7.2. if no engineer is required, on a date notified to You when You request the Services.
- 2.8. There may be unexpected delays in Your Activation Date due to factors over which We have no control. We may tell You if this is going to happen.
- 2.9. If You are Renewing or Upgrading, a new Minimum Term may apply but We will get Your express consent first. Your new Minimum Term will start from the date We provide You Written Notice that We have accepted Your request for a Renewal or Upgrade. We don't have to provide You with a Renewal or Upgrade and We don't have to allow You to change Price Plan.
- 2.10. You may need a New Line to receive the Services and pay the New Line Charge. We will tell You before the Start Date if you need a New Line.
- 2.11. If You require an Additional Line, Your obligations to Us regarding the installation of and Charges relating to the additional Line will start on the Start date for that Additional Line. Any Additional Line that You request will be added to Your Account and You may have to pay a New Line Charge. Each Additional Line may include Services which have their own Minimum Term and Plan Terms. So, the Minimum Term for all Your Services might not be the same. You can not have more than one Broadband Service at the Address.
- 2.12. If You want to receive Your existing Services at a new address, please call Customer Support and check that Your new address is in a Service Availability Area. We do not have to accept Your request. If We accept Your request to relocate the Services, and You need a New Line at your new address, We will terminate Your current Services and You will need to reconnect those Services and commit to a new Minimum Term and pay the New Line Charge. We will get your express consent before we do this. Please see Our Price Guide for all moving administration and set-up costs.
- 2.13. We may set and change credit limits for all Charges for the Services, which mean You may only be able to use the Services up to an amount that equals Your credit limit. Charges are not capped at any limit. We can suspend Your access to the Services if Your limit is exceeded.
- 2.14. **Changes to Our Agreement**

- 2.14.1. We will make a copy of Our current version of these terms and conditions available on Our website. We can change these terms and conditions for any good reason, for instance, if We want all customers on the same conditions. We will tell You about the change beforehand, explained as follows:
 - 2.14.1.1. if You are a Consumer and the change of terms and conditions is not of material detriment to You, or You are not a Consumer, We will send You Written Notice 30 days before the terms and conditions are due to change. The new terms and conditions will automatically apply to You once that notice has run out;
 - 2.14.1.2. if You are a Consumer and the change is of material detriment to You, We will send You Written Notice 30 days before the terms and conditions are due to change. The new terms and conditions will apply to You once that notice has run out, unless You terminate this Agreement with Us within that notice period. If You do this You won't have to pay any Cancellation Charge that would otherwise apply, see point 9.3.3; or
 - 2.14.1.3. we can change these terms and conditions if new laws or rules make it necessary or where We are required to do so by OFCOM or any other regulatory body. We will endeavour to give You 30 days' Written Notice if We have to do this. The new terms and conditions will automatically apply to You once any notice period that We are able to give You has run out.

3. Installation

- 3.1. To receive the Services the Address needs to be within the Service Availability Area. If the Address is outside the Service Availability Area we may still provide the Services through a wholesale partner for a Charge. Please see the Price Guide.
- 3.2. We will need to send an engineer to Your Address if:
 - 3.2.1. You need a New Line to receive the Phone Services; and/or
 - 3.2.2. We have agreed to provide fibre Broadband Services.
- 3.3. We will agree a date with You for each visit which may not be on the same day.
- 3.4. Our engineers will need to access the Address and carry out the installation of the New Line, or complete any construction required to install fibre Broadband Services. We may charge You for an engineer call out as set out in the Price Guide if:
 - 3.4.1. You cancel the visit and don't give Us at least 72 hours notice;
 - 3.4.2. You haven't made arrangements for Our engineer to access the Address; or
 - 3.4.3. the engineer has to perform additional and unexpected services to set up the Services or supply additional equipment.
- 3.5. You will need to get consent from anyone necessary for Us to install the Services (such as Your landlord) before the engineer visit. You will also need to ensure the Address is free from any obstacles which may prevent installation. If We can't install the Services because You haven't obtained the necessary consents or ensured Our engineer can access the Address, we may charge You for the engineer call out as per point 3.4 above.
- 3.6. We may not be able to install fibre Broadband Services where extensive construction is needed. If Our engineer determines that the installation will require extensive construction or modification, We may cancel Your request for Services and refund any Charges. If We can't install fibre Broadband Services We may, at Our discretion, offer You ADSL Broadband Services instead.
- 3.7. When fibre is being installed, We will need to disconnect Your Phone Service for up to 3 hours, so You will not be able to make (including emergency services) or receive any calls.

Equipment

- 3.8. You will need to supply the following equipment Yourself for use with the Services:
 - 3.8.1. for Broadband Services, Your own compatible device such as a computer or any other device capable of receiving the Broadband Service; and
 - 3.8.2. for Phone Services, Your own suitable telephone.
- 3.9. We will deliver the Equipment to Your Address. Once You get the Equipment, You own the Equipment and it is Your responsibility. You must:
 - 3.9.1. follow any instructions, safety and security procedures applicable to the Equipment; and
 - 3.9.2. inspect the Equipment immediately and telephone Customer Support within five days of delivery to report any damage, faults or missing items.
- 3.10. In addition to the Equipment, You will need a BT Openreach modem to receive the fibre Broadband Services. An engineer will install the modem when the Broadband Services are installed. BT shall remain the legal owner of the modem which will need to be returned to BT when this Agreement ends. Please contact Customer Support for any queries or technical support relating to your Broadband Service.
- 3.11. Provided payment of the Charges is up to date and You followed the operating instructions and didn't cause the fault, We will either repair or replace faulty Equipment. If We provide You with replacement Equipment, You will need to return the faulty Equipment to Us within 14 days. Please see Our website or call Customer Support for our free postage options. If You do not return the faulty Equipment to Us within that time, We may charge You the replacement cost for the Equipment as set out in the Price Guide.

Changing Provider

- 3.12. If You want to transfer a broadband service from another provider to Us, You may need to provide Us with a MAC Code, which You can get from Your existing broadband provider. If You want to transfer Your

Broadband Service from Us to another provider, You may need to request a MAC Code from Us and give it to Your new broadband provider. You can request to receive the MAC Code by email, letter or calling Customer Support. We will provide the MAC Code to You within 5 working days of You contacting Us. A MAC Code expires after 30 days of issue. We can only provide a new MAC Code once the previous one has expired. This Agreement will be terminated 10 days after any MAC Code that We provide to You is Used by Your new provider, or at the expiration of the notice You gave under point 9.1, whichever date comes first in time.

- 3.13. If You terminate Your Agreement because You no longer require Broadband Services, or You move to a new provider without using, or without your new provider using, one of the industry-approved processes, You will have to pay Us any charge that We incur from BT for disconnecting You in this way together with Our own associated administration costs, as set out in the Price Guide. The industry approved processes for moving to a new provider are the Migration Authorisation Code (MAC) process, and the Notification of Transfer (NoT) process.
- 3.14. If when You request the Phone Service You are already receiving a landline service from another provider, You authorise Us to arrange for the transfer to Us of the Line from BT or Your existing network operator. We can't do this for all network operators so please check with Us. You are responsible for the Charges for any calls that are made on Your existing phone line before the Activation Date.

4. Our Services

- 4.1. We will always try and provide You with the Services, but sometimes they may be unavailable or interrupted by:
- 4.1.1. the technical limitations or faults of other providers supporting some parts of the Services we provide. These problems are usually outside of Our control but We will do Our best to fix issues, however We cannot guarantee that they will be fixed by these providers; or
- 4.1.2. maintenance, faults, congestion, upgrades or an emergency.
- 4.2. We will try to repair any failures in the Services but We can't promise that all faults will be corrected. We may send an engineer to the Address to fix a failure or problem in the Services. We may charge You for this if the fault, in Our reasonable opinion, was caused by something You did.

Broadband Service

- 4.3. The Broadband Service gives You the ability when Using a compatible device and the Equipment to access the internet at the estimated Transmission Speed.
- 4.4. We reserve the right to manage Our Network in order to protect it for the use of all of Our customers. We may therefore apply traffic management controls from time to time. Those controls may vary if:
- 4.4.1. You're in Our Service Availability Area;
- 4.4.2. You're not in Our Service Availability Area but We are providing the Broadband Services through a wholesale provider; or
- 4.4.3. You have fibre Broadband Services.
- 4.5. Details of Our current policy are on Our Website. Your Plan Terms and the Price Guide may also contain information about Your Allowances (such as how much data You can use or how many calls You can make) and what We might do if You exceed Your Allowance, including but not limited to, moving You to a higher Price Plan if You exceed Your Allowance. We will give you reasonable Written Notice before We change your Price Plan.

Phone Service

- 4.6. As part of the Phone Service We will transfer Your existing telephone line to Our Network as per point 3.14. You can also take Your telephone number to another network operator when You leave Our Network. We will transfer Your telephone number to or from Our Network. Please see Our website for more information on transferring Your telephone number.
- 4.7. You do not own the telephone number used for the Phone Service. We can reasonably change the telephone number if We are required to do so by law, regulation, or under the terms of any supplier agreement that affects the supply of the Services. We may do this immediately for regulatory reasons. We will give You at least 3 months' prior notice for any other reason.
- 4.8. You can use the Phone Service to contact the emergency services for free by calling 999 or 112. These calls can also be made using voice over internet protocol ("VoIP"). If You are Using a VoIP service provided to You by Us, then in the event of a power failure a VoIP emergency call is routed over the standard telephony network and not through the Broadband Service. The emergency services will always know where You are located as Your location information will be provided. If You are Using a VoIP service from any other provider, the emergency call cannot be traced.

The Services Generally

- 4.9. The Services are made available to You provided that You also comply with the following conditions, which are a fundamental part of this Agreement:

- 5.4. Unless previously agreed with You, We will make the bill for Your Account available to You every month by electronic means (either by email or through Your online Account) and take payment by direct debit on the date set out in it. Any Additional Services may be charged for the time You've used them or charged in advance. This is also set out in Our Price Guide. Other Charges are for the month just passed and any earlier time if not previously charged.
- 5.5. We will set up Your online Account and provide you with a password and username. Your online Account will tell You the date that Your bill is to be made available to You each month. In addition to this, we will send an email to the email address that You provide when Your bill is ready to be viewed.

We may also charge You a Cancellation Charge except where:
 - 5.7.1. You have a genuine dispute with Us; and
 - 5.7.2. Before the date by which Your bill must be paid, You have given Us Written Notice setting out the details of Your dispute, including the amount of Your claim against Us and the amount You intend to withhold as disputed. If the amount You intend to withhold is less than the total amount You owe Us then You must pay the difference by the date set out on the bill. If You don't, then We can terminate this Agreement immediately.
- 5.8. Our rights set out in here are in addition to any other legal rights We may have against You.
- 5.9. You may have to pay additional Charges, the amount of which is set out in Our Price Guide, for example: the Separate Payment Handling Charge or the Charge to reconnect You to the Services (see point 7.4).

- 5.10. You are responsible for all Charges applied to Your Account, including all call charges made from the Phone Service.

- 5.12. You shall be required to pay a deposit (or an extra deposit) as security for the Charges if We have a good reason to require it, for example, if We raise Your credit limit. This may be payable before the Start Date or during the course of this Agreement. We can keep the deposit until the Agreement ends. We will return it when You pay Us everything You owe. We will not pay interest on deposits. We can use Your deposit to pay what You owe except where You have followed the process for disputed Charges outlined at point 5.7.2 above. - 5.13. Charges for calls on the Phone Service to certain numbers outside of those permitted in Your Allowance, such as premium rate numbers, are set out in the Price Guide. We may charge You for additional data You use above the data included in Your Allowance, or move You to a higher Price Plan in accordance with point 4.5. These Charges are also set out in the Price Guide.
- 5.14. We may use credit reference agencies to help Us make credit decisions or for fraud protection. You agree that We may register information about You and the conduct of Your Account with any credit reference agency. For the purpose of fraud prevention and credit management, information about You and the conduct of Your Account may be disclosed to financial institutions and other phone companies. Such information may also be passed to debt collection agencies for debt collection purposes.
