We recommend that You send the Mobile Device by secure means.

Any replacement will, wherever possible, be of the same or similar specification as Your original Mobile Device, but may be an alternative operating system, make or model. In such circumstances, the Insurer retains the right to keep any monthly payments and to recover any sums paid by way of benefit under EE Tablet Care. We may also share Your information with fraud prevention agencies to help combat fraud. EE also reserves the right to withdraw any services or agreements that you may hold with them.
