---

STANDALONE ADD-ON TERMS

---

Version 2

Date 4 October 2018

1. Six months' Apple Music data on EE (the "Data Offer") is available to new and existing Consumer and Small Business 4GEE customers on a Pay Monthly phone or SIM only phone plan and taking the Apple Music data add-on (the "Data Add-on") for the first time. Please note customers on our Business Connect plans are not eligible for the Data Offer and cannot apply the Data Add-on to their account.
2. For six months, data used whilst streaming or downloading from the Apple Music App (the "App") whilst in the UK or Europe will not decrement from your EE Price Plan's inclusive data allowance, save that if you do not have any data remaining of your Price Plan's data allowance, you will be unable to stream or download music or use any of the connected features using mobile data. You may still be able to access the App using Wifi or by purchasing a data add-on.
3. If we accept your request to transfer your EE account to a new person, they will not be entitled to benefit from this Offer.
4. The Data Add-on does not include the cost of a subscription to Apple Music. You will need a subscription to Apple Music to benefit from the Data Offer. Apple Music is only available to customers using a compatible mobile phone using the iOS or Android operating systems.
5. The Data Offer will start as soon as we accept your request for the add-on and will run in six consecutive months and cannot be deferred, paused, transferred to another EE customer of any type or redeemed in stages.
6. After six months, the Data Add-on will be automatically removed from your account and any data used whilst using the App will decrement from your Price Plan's data allowance. You can cancel the Data Add-on at any time but it may take up to 48 hours to be removed from your account. As soon as the add-on is removed from your account, any data used whilst using the App will decrement from your Price Plan's data allowance.
7. If you choose to upgrade, move plans or enter into a new contract for mobile services, you'll be unable to get the Data Offer again.
8. The Data Add-on is provided to you as an Additional Service and does not form part of your Price Plan with us. This Additional Service can be added to each eligible line on your Account. We'll refer to it as an add-on in MyEE, on your bill, online and when you call or text customer services. You cannot have more than one Add-On of this type per eligible line registered to your Account.
9. Before requesting the Data Add-on for this Additional Service you must acknowledge and understand that any change to the add-on's

cost or the Service, does not entitle you to cancel your Agreement with us for mobile network services.

10. If you choose to cancel the Data Add-on, for whatever reason, or if we have to remove it from your account because you've failed to comply with these terms and conditions, you'll forfeit the opportunity to add it to your Account again and take advantage of the Data Offer.
11. We may suspend access to or terminate your contract for the Additional Service if you fail to pay a bill by the date set out on it or commit another material breach of your Agreement for mobile network services (visit [here](#) to read the latest version of our terms and conditions).
12. In order to provide this add-on we will monitor your access to the App. We'll process this information in accordance with EE's privacy policy, details of which can be found here <http://ee.co.uk/privacy-policy>.
13. The App provides you with access to digital music and other related content (the "Service"). The App and Service is provided by Apple Distribution International ("Apple"). You must read and accept the Apple Media Services Terms and Conditions including the terms of use for Apple Music. You agree to use the App and Service at your sole risk. EE is not responsible for examining or evaluating the content or accuracy of any third-party services, and shall not be liable for any such third-party services. Data displayed by the App and Service is for general informational purposes only and is not guaranteed by EE.
