

# APPLE NEWS+

.....  
OFFER TERMS  
.....

Version 1

Date 6 February 2020

## The Offer & Eligibility

1. Six months' free access (the "Free Period") to an Individual Apple News+ subscription (the "Subscription") on the Apple News+ App (the "App") is available to new and existing Consumer and Small Business customers on a Pay Monthly phone plan or a SIM only phone plan with a 12 month minimum term subscribing to the Apple News+ App for the first time. One offer per Apple ID.
2. If we accept your request to transfer your EE account to a new person, they will not be entitled to benefit from this Offer.
3. Only available to customers using a compatible iPhone or iPad using the iOS operating systems. This offer is not available to customers with a device using any operating system other than iOS.
4. To subscribe text NEWSPLUS to 150 from your phone and receive a voucher code. To redeem your voucher code follow the link provided. The voucher code is only available for 30 days.
5. The offer can only be redeemed through texting NEWSPLUS to 150 from your iPhone on eligible Pay Monthly plan. The content can be reviewed on an iPad using iOS 13 however redemption is not available through your iPad.
6. The Free Period will start as soon as Apple accept the request for the subscription and will run in six consecutive months and cannot be deferred, paused, transferred to another EE customer of any type or redeemed in stages.
7. If you have already subscribed to the App and received one month free directly from Apple you are only entitled to 5 months free from the day after your 1 month free period with Apple ends.
8. Following the Free Period, you will be charged £9.99 (inc VAT) (£8.33 ex VAT) a month unless you choose to cancel. Apple will apply the charge to your Apple Account each month until you cancel it. If you do not wish to continue to the paid variant after the 6 months free offer, you can cancel the subscription at any time, the latest being 24 hours before the end of the trial. Once your subscription is cancelled, you will still have access to the app until the end of the trial. Once on paid version you can switch off auto renew, which will result in the next payment not to be taken. You will still have access to News+ app until the end of the subscription month paid for.

## The Service

9. The Subscription provides you with access to news and other related content (the "Service") on the App and allows you to stream Apple News+ to a single device at a time.
10. The Service is for personal and non-commercial use only.
11. Access to content outside of the UK is subject to the terms and conditions of Apple.
12. You must download and register the App on a mobile device containing an EE SIM card that uses either iOS 12.2 or above or iPad iOS 13 or above. The App and Service is provided by Apple Distribution International ("Apple"). You must read and accept the Apple Media Services Terms and Conditions including the terms of use for Apple News+. You agree to use the App and Service at your sole risk. EE is not responsible for examining or evaluating the content or accuracy of any third-party services and shall not be liable for any such third party services. Data displayed by the App and Service is for general informational purposes only and is not guaranteed by EE. Full terms can be found at <https://www.apple.com/uk/legal/internet-services/itunes/uk/terms.html>
13. If you are an existing Apple News+ paying member your free months will activate from the next month of your Apple bill. However, you will only be entitled to 5 months free of the add-on.
14. To access the Service you will be required to enter an Apple ID. If you do not have an existing Apple ID, you will be required to register for one. When registering, you must provide Apple with some personal information, such as Your name, birth date, email address, passcode and responses to security questions. The information you supply when creating an Apple ID will be processed in accordance with Apple's privacy policy. Visit <https://www.apple.com/uk/privacy/privacy-policy/> for more information.
15. Access to the App is available using your mobile data or over WiFi. your EE Price Plan's inclusive data allowance will decrement. Your data allowances will also decrement when downloading the App,
