Terms and Conditions

Double data for three months

Promotional period open from 6 November 2018 to 31 January 2019.

When you purchase an eligible PAYG Data Pack or Flex Plan, you'll get double data (an additional data allowance equal to that of your PAYG or Flex Plan's normal allowance) for that month and you'll be eligible to get double data on the next two eligible PAYG Packs or Flex Plans you purchase. To be eligible for this promotion, you must purchase one of the following PAYG Packs or Flex Plans during the promotional period:

Eligible PAYG Data Packs	Eligible Flex Plans

To be eligible for double data on your second and third PAYG Packs or Flex Plan months, you will need to buy the same product at the same price:

- PAYG customers will get double data for their next two Data Packs of the same value.
- Flex Plan customers will get double data for the next two months of their same monthly plan.

For example, if you first bought a £15 Data Pack, you'll need to buy a £15 Data Pack again to receive double data. If you switched to a £15 Flex Plan, or a £10 Data Pack, you'd no longer be eligible for double data.

Your double data will expire within 30 days of you receiving it; it will not roll over.

If you don't have enough credit to renew your PAYG Pack or if you pause your Flex Plan, you will have 90 days to renew your Pack or un-pause your Plan. If you don't renew within 90 days, you will no longer be eligible and will lose your double data benefits.

Activate your SIM within 90 days of purchase and before 31 January 2019 to start receiving double data. If you fail to use your SIM for 180 days you will be disconnected from the network and will no longer be eligible for this offer.
