Topping up

Topping up has never been easier whether you're out and about or at home. All you need to do is decide how much you want to top up (we accept £5, £10, £15, £20, £30, £40 or £50*) and how you want to top up.

If you're at home you can top up

- online
go to orange.co.uk/topup to top up your own phone, or someone else's phone
- by calling 450
from the phone you want to top up, and follow the prompts
- direct debit
get free credit by setting up a direct debit for your top up. It's not a contract - you decide how much you want to top up each month and that amount will be transferred from your bank account to your phone. It's simple, easy and you can cancel whenever you want. Call 450 and select option to set up or find out more

If you're out and about and you've previously used your credit or debit card with Orange directly, you can top up.

- SMS
simply text the last 4 digits of your card, the 2 digit top up amount and the 3 digit card security code on the back of the card** to 2886, e.g. 1234 05 123
- on your phone
login to 'My EE' in your browser and follow the prompts to top up.
- using the app
if you have an iPhone or an Android phone, you can top up through the 'My EE for Orange' app. Simply visit the [Apple Store](#) or [Play Store](#) to download it.

*restricted amounts apply in some channels.

** If you're using an American Express card, this will be a 4 digit card security code on the front of the card.

If card top ups aren't your thing, then you can always choose one of these other options:

- EE shop
simply buy a voucher and call 450 to redeem it or hand over your cash with your Orange swipe card.
- Cash machines
just top up your phone next time you withdraw some money from an ATM.
- High Street Shops
visit one of our top up retailers and use your swipe card (just make sure they have the green top up logo) or buy a top up voucher and call 450 to redeem it.

And if you're going abroad, remember to top up before you go. If you forget to top up, don't panic – you can still top up online or call +44 7973 100 450 to top up with a credit/debit card.
