## Points to note.

- Fair Use Policy: Use of Instant Email is subject to a fair use policy of 50MB of data per month. If a customer exceeds 50MB in a given month, we may request the customer reduce their usage of the service.  
If usage of the Instant Email service continues to exceed 50MB per month, EE may move the user to another Instant Email plan, and they may lose the right to move back to the original Instant Email plan.  
Access to and use of any other web based Email service or Web browsing via GPRS is not covered by this fair use policy. We reserve the right to vary this policy, but will notify you if we do. Numbers prefixed with 08 are not included in your allowance. Freephone numbers are free.
- When you join a EE pay monthly plan, you should be sent your first bill within 2 weeks of becoming a customer.
- Per minute charging applies to all types of chargeable calls (unless otherwise stated). Charging starts when a call is answered by a person or an answering device. The call is billed at the rate applicable at the start of the call.
- A call ends when:
  - a) you end the call on your device; or
  - b) 16 seconds after your calling device loses signal for any reason (note: we continue to maintain the call in case your device re-establishes a signal with our network within this period); or
  - c) you do not end the call on your device, up to 30 seconds after the last third party you were connected to has ended their call.
- On the bill, for pay monthly customers the charge for each call is rounded to the nearest tenth of a penny. The total of each of the sub-categories of 'call charges' and 'other usage charges' will be rounded to the nearest penny on the bill, then added together before VAT is added to this final figure. All chargeable calls will be subject to a 1 minute minimum charge unless otherwise stated.
- Free voicemail retrieval applies to the retrieval of messages when using the EE service in the UK.
- Diverted calls are charged at the local or national call rate or, if appropriate, the relevant mobile or special number rate. Diverted calls are not included in any inclusive minutes you may have.
- Additional charges may apply whilst using your EE phone abroad.
- Additional charges (e.g. international call charges, premium rates etc) can be found on [www.ee.co.uk](http://www.ee.co.uk) or our 'Non standard charges' leaflet.
- EE reserves the right to vary or withdraw any individual or additional service with 30 days notice.
- A text message consists of up to 160 characters. If you send a longer message, you will be charged for two or more text messages as appropriate.
