

SMART WATCH PLAN

PLAN TERMS – 24 month plan

Date 16th April 2018

Terms: 24 month minimum term. Subject to credit check. Monthly charges assume online billing. Upfront cost may apply depending on model. Only available to Consumer and Small Business Customers on a Consumer Pay Monthly or SIM only phone plan with an iPhone 6 or later release (running iOS 11 or later).

If you cancel your iPhone Plan you will no longer be able to use data or receive/make calls and texts on your Apple Watch. If you cancel your Smart Watch plan within the minimum period, a cancellation charge will apply. Apple Watch must be paired to an iPhone on the EE network to use data and receive/make calls and texts in the UK on your Apple Watch using the allowance from your iPhone plan. Whilst your Apple Watch is in proximity to your iPhone connected via Bluetooth, your Apple Watch will use the data allowance from your iPhone Plan.

You may need to download music to your Apple Watch from your music app to listen, subject to app functionality. Your Apple Watch will not work on another network. 4G coverage required. Data is UK use only. Check your coverage at ee.co.uk/coverage. Subject to availability.

10% saving: Only for existing pay monthly customers of EE taking an Apple Watch plan on EE in the same name. Saving off monthly line rental for Apple Watch plan only. Saving will be removed if you cancel the original plan. RPI increase based on undiscounted amount. Not available with any other offer. £5 off strap: Join a 24 month Apple Watch plan by 30/05/2018 to get £5 off one Apple Watch strap. One offer per customer. Subject to availability. Further terms apply, see ee.co.uk/terms.
