2. The Offer is available to new and existing Consumer and Small Business Customers on a Pay Monthly phone or SIM only phone plan customers with a 12 month minimum term who have not previously benefited from our six months' free Apple TV+ offer. Please note customers on our Business Connect plans are not eligible for this Offer.
3. Availability is subject to credit status.
4. If we accept your request to transfer your EE account to a new person, they will not be entitled to benefit from this Offer.
5. This Offer is only available to customers using a compatible mobile phone using the iOS or Android operating systems or another compatible device (as described in paragraph 19 below).
6. This Offer is not available to customers on a 4GEE WiFi or Tablet Price Plan or customers with a device other than a compatible device (as described in paragraph 19 below).
7. You can select this Offer and request the add-on through My EE or by texting ATV to 150. If you select this Offer, you will then be sent a text message and will need to follow the instructions in this in order to activate the add-on. The Offer will start as soon as you select the Offer and we accept your request for the add-on (rather than when you activate the add-on) and will run in six consecutive months and cannot be deferred, paused, transferred to another EE customer of any type or redeemed in stages.
8. After six months, you will be charged £4.99 (inc VAT) (£4.16 ex VAT) a month for the add-on unless you choose to cancel. We'll apply the charge to your Account each month until you ask us to remove it (unless you have the add-on as a Smart Benefit). You can cancel the add-on at any time but it may take up to 48 hours to be removed from your account. As soon as the add-on is removed from your account, you will no longer be able to access the App and Website.
9. During the Free Period, the Subscription will appear on your EE bill as an included benefit and not as a charge. After the Free Period, this will appear as a charge on your EE bill and, if the Free Period ended or you end up cancelling the add-on part-way through a billing period, the charge will be pro-rated.

10. If you move to a plan that is not eligible for this Offer or you cancel your EE contract, you will no longer be eligible for this Offer and the Offer will end.
11. Once you have benefited from this Offer, if you choose to upgrade, move plans or enter into a new contract for mobile services, you'll be unable to benefit from this Offer again.
12. The add-on is provided to you as an Additional Service and does not form part of your Price Plan with us. This Additional Service can be added to each eligible line on your Account. We'll refer to it as an add-on in MyEE, on your bill, online and when you call or text customer services. You cannot have more than one add-on of this type per eligible line registered to your Account.
13. Before requesting an add-on for this Additional Service you must acknowledge and understand that any change to the add-on's cost or the Service, will only entitle you to cancel the Additional Services. Such changes do not entitle you to cancel your Agreement with us for mobile network services.
14. If you choose to cancel the add-on, for whatever reason, or if we have to remove it from your account because you've failed to comply with these terms and conditions or the Apple Media Services Terms and Conditions applicable to your use of the App and/or the Website, you'll forfeit the opportunity to add this add-on to your Account again for a free period.
15. When entering into a contract for digital content you're entitled to a 14 day cooling off period, except where you enter in to a contract in store. Once you've entered into a contract for this Additional Service, you'll have 14 days to tell us you've changed your mind. However, once you've accessed the App or the Website (e.g. by streaming or downloading) we'll assume that you've decided to waive this right to change your mind and you'll lose your right to cancel, except in accordance with the cancellation process described above.
16. We may suspend access to or terminate your contract for the Additional Service if you fail to pay a bill by the date set out on it or commit another material breach of your Agreement for mobile network services (visit [here](#) to read the latest version of our terms and conditions).
