The Offer & Eligibility

1. The offer (the "Offer") comprises:
 - a. Six months' free access (the "Free Period") to an Individual Apple Music subscription (the "Subscription") on the Apple Music App (the "App")
 - b. Six months' Apple Music data on us (the "Data Offer").
2. The Offer is available to new and existing Consumer and Small Business Customers on a Pay Monthly phone or SIM only phone plan customers who have not previously benefited from our six months' free Apple Music offer or who have had a standalone add-on for Apple Music Data Streaming. Please note customers on our Business Connect plans are not eligible for this Offer.
3. For six months, data used whilst streaming or downloading from the App whilst in the UK will not decrement from your EE Price Plan's inclusive data allowance, save that if you do not have any data remaining of your Price Plan's data allowance, you will be unable to stream or download music or use any of the connected features using mobile data. You may still be able to access the App using Wifi or by purchasing a data add-on.
4. Availability is subject to credit status.
5. If we accept your request to transfer your EE account to a new person, they will not be entitled to benefit from this Offer.
6. Only available to customers using a compatible mobile phone using the iOS or Android operating systems.
7. This Offer is not available to customers on a 4GEE WiFi or Tablet Price Plan or customers with a device using any operating system other than iOS or Android.
8. The Offer will start as soon as we accept your request for the add-on and will run in six consecutive months and cannot be deferred, paused, transferred to another EE customer of any type or redeemed in stages.
9. After six months, you will be charged £9.99 (inc VAT) (£8.33 ex VAT) a month unless you choose to cancel. We'll apply the charge to your Account each month until you ask us to remove it but it may take up to 48 hours to be removed from your account. As soon as the add-on is removed from your account, you will no longer be able to access the App.

10. After six months, the Data Offer will be automatically removed from your account and any data used whilst using the App will decrement from your Price Plan's data allowance.
11. You can cancel the add-on at any time.
12. During the Free Period, the Subscription will appear on your EE bill as a charge with a corresponding discount. After the Free Period the discount will be removed. If you take or cancel the Offer part-way through a billing period, the charge and any corresponding discount will be pro-rated.
13. If you choose to upgrade, move plans or enter into a new contract for mobile services, you'll be unable to benefit from this Offer again or from any further free period of Apple Music Membership or a further period of Apple Music Data Streaming on us.
14. The Add-on is provided to you as an Additional Service and does not form part of your Price Plan with us. This Additional Service can be added to each eligible line on your Account. We'll refer to it as an add-on in MyEE, on your bill, online and when you call or text customer services. You cannot have more than one Add-On of this type per eligible line registered to your Account.
15. Before requesting an add-on for this Additional Service you must acknowledge and understand that any change to the add-on's cost or the Service, will only entitle you to cancel the Additional Services. Such changes do not entitle you to cancel your Agreement with us for mobile network services.
16. If you choose to cancel the add-on, for whatever reason, or if we have to remove it from your account because you've failed to comply with these terms and conditions or the Apple Media Services Terms and Conditions applicable to your use of the App, you'll forfeit the opportunity to add this add-on, or any standalone Apple Music Membership add-on or Apple Music Data Streaming add-on to your Account again for a free period.
17. When entering into a contract for digital content you're entitled to a 14 day cooling off period, except where you enter in to a contract in store. Once you've entered into a contract for this Additional Service, you'll have 14 days to tell us you've changed your mind. However, once you've accessed the App (e.g. by streaming or downloading) we'll assume that you've decided to waive this right to change your mind and you'll lose your right to cancel, except in accordance with the cancellation process described above.
18. We may suspend access to or terminate your contract for the Additional Service if you fail to pay a bill by the date set out on it or commit another material breach of your Agreement for mobile

network services (visit [here](#) to read the latest version of our terms and conditions).

19. In order to provide this add-on we will monitor your access to the App. We'll process this information in accordance with EE's privacy policy, details of which can be found here <http://ee.co.uk/privacy-policy>.
