

EE SUBSCRIPTION MANAGER

SUBSCRIPTION TERMS AND CONDITIONS

Version 3

Date: 16 January 2026

The Subscription & Eligibility

1. Customers may purchase a subscription to a third-party digital service through the EE App or through the EE Shop at ee.co.uk/shop, these terms apply to all subscriptions purchased through either channel (the “**Subscriptions**”).
2. **Subscriptions** are available to new and existing consumer customers who reside in the UK and who visit the My EE App or the EE shop at ee.co.uk/shop and login or set up an EE ID. A UK payment card is required. Non-UK payment cards cannot be used. Age restrictions may apply.
3. If you have an existing subscription with the third party service provider you may need to cancel your existing subscription directly with them before you purchase a **Subscription** through EE. If you do not, you may continue to be charged by the third party provider.
4. A Subscription Term e.g. 7 days, 30 days, one year etc. (the ‘**Subscription Term**’) applies to all **Subscriptions** and we will apply the charges to your payment card as set out in your order confirmation email. We will automatically renew your **Subscription** until you cancel the **Subscription**, at which point you will no longer be charged from your next renewal date. To view or cancel your **Subscription**, you will need to visit EE Subscriptions Manager in the EE App. It is your responsibility to keep your payment card details up-to-date. If they become out-of-date, we will not be able to renew your **Subscription** from your next renewal date.
5. If you cancel during your **Subscription Term**, you will not receive a refund for the remainder of the **Subscription Term**. You will still be able to use the **Subscription** until the end of the **Subscription Term**, after which the **Subscription** will not renew.
6. If a free trial period e.g. 7 days, 14 days etc. is available on the **Subscription**, this will apply first and then, once the free trial period ends, we will automatically renew your **Subscription** unless you cancel it and the **Subscription Term** will apply and we will apply the **Subscription** charges to your payment card.
7. After placing an order for a **Subscription**, you will need to activate your **Subscription** within 5 days, or we will need to cancel it. Your **Subscription** will not start, and no **Subscription** charges will be applied, until you activate it. We will provide instructions and a link at the end of the order journey and in your initial order email explaining how to activate.
8. The **Subscription** is provided to you as an Additional Service. If you have a Price Plan with us (such as a Pay Monthly EE Mobile or EE Broadband plan), it does not form part of this plan. We may refer to the Additional Service as a ‘Subscription’ in the EE App or on the EE website and when you call or text customer services. EE LTD SUBSCRIPTIONS EE.CO.UK will appear on your bank or credit card statement when you are charged for your **Subscription**.
9. Before purchasing a **Subscription** you must acknowledge and understand that any change to the cost of the **Subscription**, to the **Service** provided, or to the terms and conditions shall, if applicable, only entitle you to cancel the **Subscription**. Such changes shall not entitle you to cancel any other Agreements with us for mobile or home network services.
10. As the **Subscription** is digital content and is available immediately after purchase, you will need to waive your right to a 14-day cooling off period once you have accessed the **Subscription**. This means that once you have purchased the **Subscription** service and activated the **Subscription**, you’ll not be able to change your mind, cancel the service and receive a refund for the **Subscription**. This is set out to you in the order journey before you purchase with us and in the third party’s terms and conditions.

This does not affect your statutory rights.
